

Apostles Academy of Arts & Sciences Schools of Musical & Visual Arts Instruction

The Academy of Arts & Sciences is an inclusive Community Service Program of the Church of the Apostles founded in 2011. We care about nurturing a love of the arts and learning through offering music lessons, art classes, and opportunities for the performance and display of the musical and visual arts.

We offer courses for adults through Heritage & Horizons. This semi-annual series of seminars is now in its 29th year of providing quality courses in matters of interest to our community.

We started in November, 2011 with two music teachers. We now have eight music teachers offering lessons in piano, voice, guitar, strings, woodwind, and brass instruments.

We are presently offering a class in Watercolor painting on Tuesday mornings and evenings. This eight-week, three-hour-per-week course provides training and encouragement for all levels of skill and experience. There is a minimum age of 15 for participants.

*The Academy of Arts & Sciences is an Inclusive
Community Ministry of Church of the Apostles, UCC*

**All classes are conducted at
Church of the Apostles, UCC
1850 Marietta Ave.
Lancaster, PA 17603
