From the Pastor...

This Advent, we are going to explore the Christmas classic “A Christmas Carol” and consider how God worked through the ghosts to redeem Scrooge. The importance of this story is that it mirrors us and the ways in which God redeems us. We may not consider ourselves as miserly, isolated, and crotchety as Ebenezer, but maybe we too need to take a closer look at how we live. The name Ebenezer is biblical and means “stone of help.” Dickens’ point in this story is that we too can be transformed! That is good news indeed!

So I invite you to make the extra effort to join us for worship this Advent and Christmas season. The early service (9:15 am) will include more drama from the story, including someone in the roles of Scrooge and Mary, the mother of Jesus, as we weave the stories. The sermon at both services will be based on the chapters of Matt Rawle’s book “*The Redemption of Scrooge*.” For further reflection, there is also a Sunday school class meeting in the Parlor during the early service to explore this work.

As for special services this season, we will have a Blue Christmas service on Wednesday, December 7 for those who are grieving a loss and desire a quieter Christmas experience. On Christmas Eve, there will be a Service of Lessons and Carols at 3 pm with Holy Communion. At 7 pm, we will experience the Christmas story as the children portray the characters while the story is shared. There will be special music by our adult choirs, children’s choirs, and bells.

This year, Christmas Day and New Year’s Day fall on Sundays. On Christmas Day, we will have one worship service at 10:45 am to “Keep Christmas Well,” and both services will be held on New Year’s Day. On New Year’s Day, the Sunday school will hold their annual pajama party in the Fellowship Hall.

May this Christmas speak to us personally and remind us of God’s unending love!

Rev. Kathryn Kuhn

Senior Pastor

A Message from the Council President

This will be the last time that I will address you all as President of the Church Council. Permit me, first of all, to thank you—the congregation of Church of the Apostles—for giving me the opportunity to represent you in this position.

Previously, I was on the other side, where for 40 years someone else sat with me in this leadership role. It is a different picture when you are the one on the so-called other side of the fence. But with the wonderful help of our Senior Pastor, Rev. Kathy Kuhn, we made it through.

We had our challenging events in the kitchen area, in serving foods, use of the kitchen and whether to be certified or not. Perhaps a main challenge was developing the swale on church property to accommodate the waste water coming from Homestead Village flowing into Brubaker Run. After many back and forth discussions and plan changes, we are finally very close to a final picture. My thanks to Gary Brown; with persistence, we have gotten to the point that all of this has worked out well for both sides.

There are many others, especially Council members, who with their knowledge of the workings of the church, all of the Commissions and their leaders have

enabled the church to function inside and outside of the church.

It would take up too much space if I were to continue to attempt to mention everyone, and you might fall asleep before you arrived at the end. But know this: we are the servants, disciples of one who has taught us well through scripture how to live, share, love, forgive, and give to move the church forward in the changing times now and in the future.

Again, thank you!

Bob Reiff

Giving Report for October 2016

You can learn a lot from a budget report, even if the bottom line is in the red. Last year, the congregation approved a budget that expected a total deficit of \$147,222; and that was after our interest income was deposited into our checking account. Ten months have gone by, which is long enough to start having faith that our end-of-the-year income statement probably won't have any big surprises in the last two months of the year. Our vote last year was to accept a deficit of \$75,000 so we could call a second pastor, but our history looked like we would be short another \$70,000 on top of that at the end of 2016. The very good news is that while we have a deficit, it remains way below what we expected.

The actual numbers are: total income this year - \$417,174 and total expenses - \$481,769, which leaves us with a deficit of \$64,595. That deficit is still below the \$75K that we purposely took on. That is extremely good news. That is a very good trend.

For comparison, 2015 numbers were: total income - \$378,701 and total expenses - \$429,970, which left a deficit of \$51,268.

Outreach Ministry—Continued

Bystanders

The TV commercials have resumed their drumbeat of endless ads. The political analysts are trying to explain their wildly inaccurate predictions. Life is settling back into...

During the endless time (as it seems) of this election season, the longer it went the more opinionated and polarizing information became. There were clearly sides taken. There were opinions about the opinions. There were few bystanders. I'm pretty sure even if you never told anyone, you had some clear, firm positions about what was going on in this election. You were not a bystander. If you voted, your opinion counted. If you felt strongly about the issues, you may have spent some time "discussing" them with another person. You were not a bystander.

A new year is coming to COA. The calendar is full of events of every nature. There definitely is something here for everyone...whether you are a new member, a millennial, a Gen-Xer, or one of our seasoned. This year has been an exciting year of membership involvement. COA makes its mark in many places and in many lives. I believe 2017 will be even more exciting and satisfying, but the question for each and every one of us as we look at our participation in the life of Apostles is: Am I a Bystander, or do I want to make a difference?

The coming year at COA will offer many ways to be involved with our wonderful ministry. I hope you won't be a bystander.

Outreach Ministry

Wishing Well

A huge thank you to all who donated supplies for the Apostles Assistance Fund! You have so generously helped many people in our community who are in need of personal and home care products. Pastor Kuhn has been able to fill many needs through our collection in the Wishing Well over the past few months. Our community thanks you!

It is time for our holiday ministry to begin! Once again, we are partnering with the Apostles Community Preschool to gift students at Elizabeth Martin Elementary School. Martin School is the school that we service weekly

through the Power Packs program. We are going to gift 80 students this year to help them have a merrier Christmas. Please consider participating in this wonderful ministry. There are gift tags on the Outreach bulletin board in the Narthex. Each tag has a child's name, age or grade, and gender on it. Attached to each gift tag, on a sticky paper, is a gift suggestion for that child. When you take a gift tag, *please* write your name directly on the poster board by the number that is on that tag. Then, have fun shopping for that child, wrap the gift, attach the gift tag, and place the gift around the tree next to the bulletin board. All gifts must be brought to the tree by *Sunday, December 18*. Please consider making the holiday a bit brighter for a student in our community this year! If you have any questions, please see Jane McCartney.

Bethany and Hoffman Homes

Both of these homes are affiliated with the UCC. Their missions are similar, but differ in approach. Bethany provides residential service for school-age, co-ed, population who are unable to live with their own family or a substitute. Typically, these young people require more structure, more elaborate programming, and more highly-trained staff than is possible in a smaller group setting. Founded in 1863, it serves more than 300 youth each year on its Womelsdorf, PA campus. Additionally, through its counseling ministry, Bethany annually provides counseling services to over 600 families throughout the region.

Hoffman Homes for youth treats boys and girls ages six to 18 with mental health diagnosis. They provide behavioral and cognitive therapy, physical healthcare services, education, spiritual nurturing, and a safe and comfortable home for up to 141 children at their facility in Gettysburg, PA.

Please remember these homes in your giving this year.

Special Gifts

The generous gifts of our congregation and individuals to the Christmas Fund every December enable the UCC Pension Board's Ministerial Assistance team to provide many appreciated gifts.

Last year, 528 retired UCC clergy received a check to remind them that they are not forgotten and the church is grateful for their service. Monthly small annuity

Outreach Ministry—Continued

supplements were given to 464 lower-income retired clergy for their basic needs. Quarterly health premium supplements were given to 235 people to supplement the Medicare prescription plan for lower income retired clergy. Emergency grants were given to 58 clergy last year for unforeseen circumstances.

This is our opportunity to participate in God's promise of renewal by enabling this ministry of compassion and care.

Rader Park

For over a year, the Property Commission has been developing a long-range plan for Rader Park. The Ministry Planning Commission and Council have recommended that the Property Commission share the vision for Rader Park with our church members, our Campus Partners, and others. The Stewardship Commission has promised to find the funding for the plan if it is approved by the congregation. The plan for Rader Park includes new restrooms near the pavilion, meditation stations, the installation of erosion controls in Brubaker Run, a native wildflower meadow, playground equipment, the expansion of the Seeds of Hope garden with a small greenhouse, a building for equipment storage, space for each Commission to expand their programs, and other items. Informational meetings are scheduled at various times for your convenience beginning January 8, 2017.

In February 2017, our congregation will be asked to approve the plan. Please watch for more information and become part of the future of Rader Park.

We hope that you are able to join us for one or more of Apostles Community Preschool's performances of *Joy to the World!*

Thank You Soup Squad!

Thanks to the efforts of dozens of volunteers, close to 600 quarts of soup was prepared this year. The bulk was sold by the bowl or quart at our bazaar with the leftovers being donated to Transitional Living Center, Parish Life Commission, (for the garage sale and lunches with the pastors), and the Education Commission (for youth dinner and Advent celebration meal.) Proceeds from sales at the bazaar will be split between our general budget and support for outreach ministries throughout the upcoming year. This labor of love was only possible because of the efforts of all the volunteers who cut, chopped, cooled, stirred, loaded, unloaded, served, washed, dried, and cleaned for five days of bazaar week.

Unsung Helper

Judy Jarvis is a quiet behind-the-scenes worker. She has helped at the bazaars by cleaning trays, wiping off tables, and doing dishes. She helped prepare the food for New Beginnings meetings, and also works the week before the Garage Sale by sorting and hanging clothing. She orders and then cooks the food that is sold at the

Garage Sale. She also provides lunch for the volunteers one day of that busy week. Thank you, Judy, for all your help.

Thank You!

Dear Friends of COA,
I'm so thankful to all members of COA for all the phone calls, cards, and well wishes for a speedy femur bone, hip recovery. Thanks to Bob & Shirley Miller for flowers Sunday, September 18. I contributed to the flower fund for my 94th birthday, not expecting for myself a birthday present and hip surgery on September 17. Today, November 6, [I received] a beautiful bouquet delivered by Lou & Arlene Gaudio. Thanks for your caring and love. Love is the greatest, and may God bless each one of you most generously.

Love and friendship,
Clyde Holbein

Thank you so much for the beautiful flowers. We are so grateful.

Bernice and Dick Ochs

Bernie and I want to thank Doris and Karl Krammes for the altar flowers they delivered to us. We are so glad to be part of this caring church family.

Pat Cover

Dear COA Members,
We were pleasantly surprised on our anniversary by the delivery of an arrangement of lovely fall flowers by Betty Holmes. Thank you for remembering us on our special day.

Sincerely,
Vera and Paul Hocker

To My COA Family,

Thank you so very much for the lovely flowers. I enjoyed them for nearly 10 days. I also want to express my thanks to my COA family for all of their concerns and prayers during my daughter's health issue. I'm happy to report that she is on her way to a complete recovery and your prayers have been a blessing.

Sincerely,
Eva Johnson

Thank you for the altar flowers we received for our 52nd Wedding Anniversary. They are lovely.

Welcome New Members

Please join us in welcoming the following new members of Church of the Apostles:

Kelley Dubbs is the mother of Liam, and is a project manager at Lancaster General Health/ Penn Medicine. She grew up in Lititz, and her interests include hiking, biking, golfing, and reading. "I would like to have a foundation for Liam to learn, and I feel that the beliefs of the church align with mine."

Sara and Nick Bravo are both occupational therapists who are the parents of Cole (10), Gabe (7), and Noralyn (9 months.) Nick is originally from the eastern shore of VA, while Sara is a Lancaster County native. Sara attended Apostles Community Preschool as a child. Sports, traveling, and enjoying the outdoors are some of the family's favorite past-times. "Our beliefs and values are most closely linked to the United Church of Christ, and Sara's family has been a part of COA for many years." (Sara's grandparents were Ken and Evelyn Bernhardt, longtime COA members.)

Heather Rice is mom to Matthew (7th grade) and Carolyn (5th grade.)

Mary Walters is the office manager at the American Cancer Society. Mary and her husband Daniel enjoy camping and hiking with their family - Dillon, age 4, and Molly, 22 months. She is originally from Warren in northwestern PA, but moved to Lancaster as a teen. Mary chose to join COA "because of the children's programs, community outreach and acceptance, and because the worship service

blends the traditional with the modern in a very nice way."

Happy Birthday!
