*From the Pastor...*

Summer is a wonderful time to deepen your relationship with God, our Creator, Redeemer and Sustainer. Many people feel closer to God in nature and we have opportunities and places for you to experience that on our property.

In worship, we will be exploring what it means to be God's children since we claim that all people are children of God. This will include exploring some stories we learned as children but hearing them in a new way – paying attention to what they actually say rather than what we think they say – and their implication for how we are to live as God's children. There will be a focus on compassion, forgiveness, and peace-making. Three vital skills needed in our world today!

At Rader Park, there will be activities planned that you will want to mark on your calendar. Our Seeds of Hope garden is in need of volunteers to tend and harvest what is grown as we help those who are "food insecure" in this lush and bountiful area. You are invited to walk the paved trails which are being renovated by our Property Commission and the natural trails to see what blessings you may find – a fox, a bluebird, deer, turtles, frogs, fish or dragonflies. Walk the park for exercise and to give thanks to God for the intricate splendor of creation. Take note of other programs that will help you learn more about what is around us in the natural world.

Gather with others for a picnic in the park or for Bible study. Invite members you don't know as well for dinner or dessert. Send a card or make a phone call to someone you have not seen in a while, just because you care. These are the pieces which help us to be a loving community of Christ!

Blessings & peace -

*Pastor Kuhn*

## Letter from the President

It's here!! Summer!! Warmer weather...or warmer rain, whatever the case may be!

Summer always seems to bring a lightness to people's spirits. Vacations are on our minds...a chance to have a change of scenery and a renewed energy. A chance to feed our souls. Vacations have been recognized as "good for your health". The chance to de-stress and free your mind of worry can lower your blood pressure and heart rate which in turn lowers your risk of heart disease and chronic illness.

The summer months also have a lightning effect on our pews. We chase after the chance to get away to clear our minds; but is it possible that what we are really in search of is right under our noses? Studies have shown the same types of effects on those who attend church regularly. They sleep better, have lower blood pressure, lower chance of developing anxiety or depression, and tend to live longer lives. Making church services a priority not only strengthens our relationship with God, but also with those around us. On any Sunday, you can find renewed energy, a lightening of the spirit, and food for the soul right in our own sanctuary. Whether it is January or June, it's only a Sunday away. What is the first thing we do when we get away to relax? Take a deep breath. How do we start our services, is it a

coincidence? As your summer schedules gear up, make time to get away with us on Sunday morning, because really...we miss you when you're not here.

As we move through June, it is only right that we recognize someone that is here almost every Sunday (and then some). Cindy Kahler, our Director of Music Ministry, has faithfully served our congregation for 22 years. At the end of June, Cindy will start her road to retirement. Starting July 1st, she will be with us on a part-time basis as the Interim Director of Music Ministry until a new DMM is hired. Her last Sunday with us will be June 9th and we plan to honor her and the wonderful job she has done for and on behalf of Church of the Apostles. I invite you all to attend one of our services, and join us in recognizing Cindy in between services as we celebrate with cake and punch! There will also be a basket for cards. Please take the opportunity, whether it be on June 9th with the congregation or just when you see Cindy in passing, to thank her and wish her well, for a few pieces of cake cannot begin to express our gratitude.

So as you can see, there are a lot of reasons to fill the pews this summer!! Relaxation, renewed energy, lower blood pressure, a continual strong relationship with God and your church family....and if that was not enough, we will have cake!

Blessings to all!!

*Christa DiDomenico Conrad*

Sundays at 9:15 a.m. and 10:45 a.m.

## Council Minutes

### CHURCH OF THE APOSTLES COUNCIL MINUTES

April 15, 2019

**Present:** Christa Conrad, Barbara Achtermann, Betsy Bischoff, Donna Carr, Jeannie Clausen, John Eshbach, Bernie Fickes, Herb Forry, Todd Harris, Marty Holmes, Linda Lewis, Stephanie Moore and Rev. Kathy Kuhn, Ex Officio.

**Excused:** Delaney Breslin, Mark Reinhardt.

**Absent:** Andy Smith.

**Call to Order:** 7:07 pm by Christa Conrad, President

**Devotions:** Betsy Bischoff led using 1 Corinthians 12, emphasizing differing spiritual gifts are to be used for "the common good".

**Minutes:** *on motion of John Eshbach, seconded by Todd Harris*, the minutes were approved.

**Treasurer's Report:** omitted in absence of treasurer.

**Commission Reports:**

**MPC:** Meeting just completed before Council meeting. Next meetings in June and September.

**Education:** As in packet. Plans for joint VBS with Salem UCC, Wacky Wednesday, are gelling.

**Stewardship:** As in packet. Working on finalizing Reed bequest.

**Outreach:** As in packet.

**Parish Life:** As in packet. Reminder of joint projects: Garage Sale needs all hands on deck the week after Easter to prepare for the garage sale on Friday April 26 and Saturday, April 27. Blessing Bags will be done by Education, Outreach and Parish Life from May 19 through August 18. These bags will be donated to the Prison's Reentry program: Resources, Mentoring, and Opportunities or RMO. The Fall BB focus will be on hygiene items. Interest in a day trip to DC to visit the African American Museum is being explored. Life Touch is willing to do a new photo shoot when there are 15 - 20 people interested.

**Worship:** As in packet. Question was raised about the state of the **red pew pads** and potential replacement. What purpose do they actually serve? Who tallies the data, and who uses it? Original purpose was to identify guests. Ushers do a head count. There does not seem to be a need to record individual attendance. Guests could/should/are asked to sign the guest book in the lobby by the Sunday greeters. Need for more outgoing contact by greeters, even if discovering that the person greeted has a longstanding relationship with Church of Apostles.

**Property:** Herb Forry shared his concern that after he reported to Council last month that **tree planting** on April 13 had been postponed, there were some 100 trees planted in Rader Park on the 13<sup>th</sup> by Chesapeake Alliance, Scouts, and Green Team members.

**Heat Pumps in Sanctuary** need to be replaced.

Property is expecting bids, but anticipates costs to be about \$40,000. to replace and install both. *On motion of John Eshbach, and second by Marty Holmes*, Council voted unanimously to approve a request to schedule a Special Congregational Meeting to approve the expenditure. The date will be set with consideration of the need for bulletin announcements, and letter to Congregation ten days before meeting. **Sanctuary Light Replacement** is delayed because the company that was to supply the lights themselves has gone bankrupt. The installer is researching other companies and will rebid. Hopefully the cost will remain as projected. **Garden Plots** have been advertised to church members and Homestead residents. There are plots remaining. Marty Holmes agreed that they could be advertised online on our media outlets. Kathy will ask Mary Tunison, Communications Coordinator to do that immediately after Easter. **Cupholders for Sanctuary**, had been recommended to Property as way to avoid spillages on carpet. Property asked Worship Commission to advise them before going forward. General discussion led to the suggestion that gentle reminders, but word of mouth, and a sign or two reminding people to assure that a container of liquid being taken into the Sanctuary have a secure lid.

**Pastor's Report:** Packet contains reports from both Kathy and Dan. Kathy asked how Council members felt about their contacts with congregation members. It was decided the group needs another month to complete.

**Growth Task Force** is in process of reaching out to new residents within a 3 mile radius of the Church. They have established a "greeting team" who contact the new resident with a personal note and a flyer about Church of Apostles. The note invites the new resident to give the greeter a call so they can be met at Church by a familiar person.

**Old Business:** Kathy asked Council's opinion about pursuing conversations with New Beginning Evangelical Church regarding sharing our building with them. She has been reading an article "How to Share your Building", and found it helpful to acknowledge what issues might arise. Council members suggested, New Beginnings Church be asked about their plans for Church School, or

child care during their services. Will they want access to kitchen? Could their use of rooms, other than the Sanctuary, be subject to the same conditions we have for anyone else requesting space? All present encouraged Kathy to continue conversations. Before a contract is presented, the conditions will be shared with the congregation, and the congregation must agree to share our building with New Beginnings.

**New Business:** Christa informed Council, but asked for confidentiality from Council Members about a meeting of Worship Commission, Choir Members, and Executive Council exploring shifts in the leadership of Music Ministry. Cindy Kahler desires to retire as Director of Music Ministry at end of June, and assume a smaller role. She is considering an offer from Executive Council as Interim DMM with reduced responsibilities until a revision of the Job Description, and a rebalancing of expectations and duties is completed, and a search undertaken for leadership of our Music Ministry. Those meetings are scheduled on May 2, and May 5 at normal choir rehearsal times.

**Closing Prayer:** offered by Pastor Kuhn.

**Meeting Adjourned:** 8:58 pm

**Next Meeting:** May 20, 2019 at 7 pm in the Parlor

Respectfully Submitted,  
Barbara S. Achtermann, Secretary

### GARAGE SALE 2019

As chairperson on the 2019 church Garage Sale, I wish to thank many people. First, thanks to all who donated items to be sold- including cakes, sodas, hot dogs, and rolls. Next, thanks to the more than 57 people who worked Monday to Thursday before the sale sorting, pricing, folding clothes and placing them on tables. Next, a big thanks to the 59 people who served as cashiers and the three money counters for the sale on Friday and Saturday. Last, but not least, to those few who helped pack up and dispose of the unsold items. It was a busy, but fun time with interaction of church members (and nonchurch members) who otherwise might never have met. It was a great "Team Effort" of more than 150 people with a profit of \$6,914.58.

### POSITIVES FROM THE SALE

1. Fun and camaraderie of those helping.
2. Donated summer clothes to Andy Appel to take to Honduras.
3. Unsold clothing went to the Baptist Church across the street for their clothing give-away.
4. Unsold household goods went to Goodwill.
5. *Off The Streets* selected some household items, dishes, lamps, linens.
6. Unsold purses were saved for a future project for homeless women.
7. The Garage Sale committee will meet to decide how the profits should be distributed.

I will report back after that meeting.

Clara Kosmela

## Outreach

### ADOPT A SENIOR

Attention all members! The Outreach Commission is very excited to launch a new ministry called Adopt a Senior! There are so many seniors in our congregation who are unable to attend church for health reasons or other reasons. So, let's take church to them!! Not literally, of course, but we think it would be wonderful for our church families to adopt these individuals who need some extra care and attention. This adoption would mean maybe a phone call once a week, a visit once a month, a special treat once in awhile, a card in the mail, etc.

Rev. Kuhn has a list of some names of seniors who would love to be adopted. If you are willing to participate in this ministry please contact Jane McCartney at (717) 392-4844 or Rev Kuhn. Let's show our elder members that we care!

### SUMMER MISSION TRIP TO HONDURAS

July 21st through the 28th — a week of providing health care, joy and receiving endless gratitude.

Three days of medical clinics are currently scheduled, with at least a day for another public service and 1 day available for the group to spend as they determine. First and last days are travel. 5 more people are needed for the trip. Knowing Spanish, medicine or pharmaceuticals is not required— just adaptability to summer climate. Average cost for the week is \$1,000 which includes ALL expenses except airfare. Airfare varies by the day but \$650.00 is average range. If you are interested for yourself, a family member or a friend, contact Andy Appel at 717-490-0093 or [andyappel@epix.net](mailto:andyappel@epix.net)

**Submission deadline for the July Crown is June 17, 2019.**

### FOOD BANK CURRENT NEEDS

Peanut butter, tuna helper, canned fruit

### APOSTLES ASSISTANCE FUND NEEDS:

Laundry detergent, toilet paper, paper towels, dish detergent, dish cloths, shampoo and deodorant.

### STAMP DONATIONS

Thank you stamp savers. Keep saving stamps for the Wounded Veterans. Drop off in the office for Skip Rhodes.

### APOSTLES CARING CARTS

Thank you to all who participated in our ministry of collecting pajamas for Conner's Comfy PJs. These pajamas will bring comfort to many children going through a tough time of cancer treatment.

Our next ministry in the Apostles Caring Cart will be to collect items for our next Blessing Bag assembly in August. We will be assembling Blessing Bags filled with breakfast items. This program benefits citizens returning to society who have been released from prison. They leave prison with almost nothing and these Blessing Bags will help to ease their stress upon release. The items that we are requesting will be posted on a board on an easel in the Narthex. If you wish to participate in this wonderful ministry please take a sticky note from the board, purchase the item written on the note, and put the items either in the Apostles Caring Cart or the tables in the sanctuary. We will be collecting items until **August 18th** which is the day that we will be assembling the bags during the first service.

The small Apostles Caring Cart (in cloak room) is for items purchased to support the Apostles Assistance Fund, an ongoing ministry supporting the needs of local community members who reach out to Rev. Kuhn for support during hard times. Items requested are listed on the poster above the cart. Thank you for your generosity in supporting our Outreach ministries!

### APOSTLES PRESCHOOL

Apostles Community Preschool recently finished up the school year celebrating with all of their families! We had our annual end-of-year school picnic and carnival, which was sponsored by Parent Council.

Apostles Preschool children will again enjoy several weeks this summer in the beauty of nature at Rader Park for the school's annual summer camp program. For 4 weeks in May and June, the children will enjoy stories, songs, games, bikes, art projects, and nature walks. Once a week, Lisa Sanchez, naturalist from the Lancaster County Park, will visit to do a nature program with the children. Water Day is held every week, with swimming pools, "fishing", sand, sprinklers, and water balloons! Our theme this summer is based on the song "He's Got the Whole World in His Hands!" The Preschool is so thankful to have such a beautiful setting as Rader Park to enjoy and appreciate the wonders of God's creation!

### THE LANCASTER THEOLOGICAL SEMINARY

*By Andy Appel*

**T**he Lancaster Theological Seminary [LTS] is one of seven seminaries of the UCC. At 555 West James Street, its campus is across College Avenue from F&M and has 10 buildings, from library to chapel to classrooms to student apartments. Before moving to its current location, the Seminary, founded in 1825 was on the Dickinson College campus [with 5 students]. It moved to York in 1829 with 25 students. After moving to Marshall College in Mercersburg in 1836, the next site was at F&M in 1871. The present site was purchased in 1893 with buildings added beginning in 1894.

Currently, LTS offer the following degrees: Master of Divinity, Master of Arts in Ministry and Leadership, Doctor of Divinity and Certificate in Theological Studies. The Seminary is fully accredited. There are 7 core faculty and 33 adjunct. Student to teacher ratio is 16:1. This year 117 students attend, representing 24 denominations. 19% of the student body is LGBTQ. 82% of students receive some form of student financial aid. Ages of the students: 29% under 40; 28% are 41-50; 27% are 51-59 and 16% are over 60. The student body comes from 13 states and 2 foreign countries.

Current costs to attend LTS depend on degree intent, hours of classroom and campus costs. Current tuition for the 3 year [full time] program for the Master of Divinity degree is \$17,750.00. The weekend program for the M.Div, 4 years, has a tuition of \$13,313.00 [per the student handbook]. Non-degree courses are offered at \$690.00 per credit hour. There are varying fees and costs depending on course load. For students living on campus, unfurnished apartments are available. Currently, a one bedroom apartment monthly rent is \$700.00/month, with a three year rent guarantee.

The vision statement of the Seminary is:

*Create a place where God transforms us to transform others and the world.*

Church of the Apostles is blessed to have the benefit of the Seminary so close to our campus. Our support is important and significant.

## Youth Ministry

Blessings,

My name is Jonathan and I'm serving as the Pastoral Intern at Church of the Apostles. We would like to extend an invitation to the Junior and Senior High School youth group to attend the Water Day we are hosting. The event is on **June 9th from 1-3 pm** at Rader Park (church grounds).

Students and chaperones can participate. They can bring their water guns and we will have other games, water balloon fights, a slip and slide, and food. Any questions please reach out.

Thank you,

*J. Paredes*
