About Our Memorial Garden

Since the inception of the Church of the Apostles in 1975, a courtyard with a garden-like atmosphere for meditation, study, and worship was envisioned. Part of the plan was for the area to be used as a memorial garden for the interment of the cremated remains of the deceased. The visions were realized and today the Memorial Garden is located in the courtyard adjacent to the west wing.

*"Let us love one another,
for love comes from God"*

1 John 4:7
