

Honor Bricks

Church of the Apostles in collaboration with Team River Runner will be creating an Honor Garden in Rader Park nestled between the Pavilion and Pond. Two highlights of the area will include a flagpole for the American Flag and engraved pavers. The exact layout and design of the area will not be fully developed until we know the number of pavers we will have to feature and install.

Individuals from our campus partners: Homestead Village, Shreiber Center for Pediatric Development, Bachman Center, Apostles Community Preschool and neighboring residential areas have an opportunity to be a part of this beautification project.

Here's your chance to honor an individual that has touched your life in a meaningful way who has served or is serving our country. This can include individuals from any of the five branches of the military: Air Force, Army Coast Guard, Marines and or Navy. It could also be an individual who has served or is serving as a Police Office, Firefighter, and or Emergency Medical Service Personal.

Each Honor Brick will be 4 inches by 8 inches. The brick can have up to three lines with 16 spaces per line.

The cost of the Honor Brick is \$125.00. Orders will be accepted from Sunday, November 12, 2023, through Sunday, January 14, 2024.
