

THE CROWN

A Publication of Church of the Apostles, A United Church of Christ Congregation

February 2022 Vol. 46 No.2

Pastor's Corner

Nearly two years into the pandemic the primary question facing churches is changing. For the longest time our questions have centered around when things will return to "normal." However, the farther we move with the pandemic the more evident it is that there is no going back. Too many behaviors, expectations, perspectives, experiences, and life goals have changed. We as a people have changed due to the pandemic. This change means there is no "going back" for us as individuals, or for us as a church.

The question that stands before us then is "where from here?" Where is God leading and calling us with the current realities of the pandemic and the culture change that will persist long after the virus has faded from the headlines? Where are we to engage in life-changing ministry? Where are we to invest our time, energy, and other resources for the sake of God's reign and the baptizing of people into the life of Christ?

Having already begun to address these questions through Anthony B. Robinson's book, Transforming Congregational Culture, this year we will be delving even deeper into the questions of discipleship and calling. The purpose of this deep dive is to give us clarity, and courage, to boldly step into God's ministry here and now for the sake of this world.

One of the steps that has already started this January is a 10-week worship series focused on the five core Christian competencies of: Radical Hospitality, Passionate Worship, Intentional Faith Development, Risk-Taking Mission and Service, and Extravagant Generosity. I pray if you haven't already registered to participate in the five bi-weekly discussion sessions (online and in person options available) you will do so right now. The deep dive into discipleship and calling happens when we take time to discuss and reflect together outside of worship.

The second step being given serious consideration is the exploration of a consultant to work with our entire congregation so that we may more faithfully and effectively live out God's calling. Council is considering this step because the challenges before us (and all churches) are significant. Council is also considering this because the reality is that our "normal" was one of gradual and consistent decline over the last two decades. Some of the discernment work around this possibility will be occurring in the five bi-weekly discussion sessions noted above, and your input and reflections are needed.

The words from the 121st Psalm speak truth to us in this time, as the psalmist says: *"I lift up my eyes to the hills – from where does my help come? My help comes from the Lord, who made heaven and earth."* Together, as the community of Christ's apostles, let us lift up our eyes to the Lord, from whom our help comes.

Yours In Christ,

Pastor Joe

A Message from the Council President

Jeremiah 29:11 - *"For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope."*

We are living in the midst of constant change and long for all to return to "normal." But, if we have learned anything in this past two year period....we have learned that nothing will be returning to the "normal" that we knew. Our jobs, our schools, our ways of socializing and meeting and worshiping have been impacted by the pandemic and have had to change to protect each other. Even before the pandemic, many churches were experiencing loss of membership. The COVID pandemic seems to have exacerbated that....although we have learned to gather together not only in person, but by Zoom, YouTube and by phone. We are reaching people that we have never reached before. What if this pandemic had occurred 20 years ago when these technologies were not available? We have adapted and stayed connected.

But, we also know that the church is more than the times we gather together in person or virtually. We need to learn to enhance the body that is the church in ways that will attract others to our vision and our mission. In the coming weeks, our pastors are presenting a sermon series on practices of fruitful congregations. What are the Lord's plans for COA? I do believe that they ARE for good and not for evil. Please make it a priority to listen to the sermons and participate in discussion groups that will be happening around the messages in these sermons. Reach out to others and invite them to join in.

When we pray in unison "The Lord's Prayer," we often repeat it from memory and don't really focus on what we are saying. I am trying to make it a priority to think about THY WILL BE DONE (not mine). What is in store for us....and how can we encourage others (both inactive members and community members) to engage with us in the church and it's mission? I am looking forward to being part of this future!!!

Blessings,
Donna Carr

5 Practices of Fruitful Congregation

From January to March our worship and preaching will center on the Five Practices of Fruitful Congregations (Radical Hospitality, Passionate Worship, Intentional Faith Development, Risk-Taking Mission and Service, and Extravagant Generosity). To deepen our shared understanding, join one of the biweekly discussion groups by calling the church office, registering on Realm, or stopping by. These groups have three options available: Sundays 10 am - 11 am, Mondays 11 am - 12 pm, Tuesdays 7 pm - 8 pm (Zoom). To register online for any of the above options, please [click here](#). You can also register by calling the church office at (717) 392-5718 or emailing office@apostlesucc.org

Event Registration - Newest Realm Feature Released

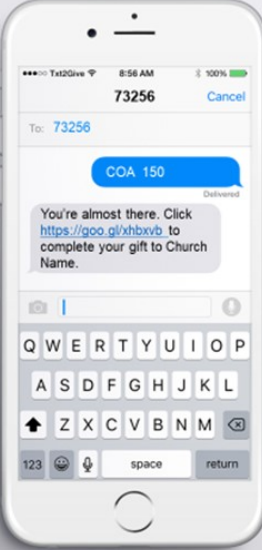

In January we launched a new feature in Realm called "Event Registration." This feature allows event leaders to receive electronic registrations for classes, events, and programs (both free and fee-based ones). Over the coming months Schuyler will be supporting commissions in their transition to using this feature in their event planning and registration.

What is great about this feature is that it works equally well for Realm and non-Realm users. This gives event planners the versatility of being able to create Realm Event Registrations that can be used for church and community-focused events. For those with a Realm Log in, your registered events will be available to you for review, giving you quick access to things like meeting Zoom links.

If you have not yet logged into Realm, now is a great time to do so. Email office@apostlesucc.org and ask for your Realm Invitation.

Are you Interested in a Homestead Based Bible Study Group?

We are exploring the option of starting a weekly Bible Study group focused on connecting with Homestead residents (members and non-members). From conversations already had, we are planning to hold the Bible Study in Homestead's Burkholder Chapel on Tuesdays from 10:30 am - 11:30 am, starting March 8. Currently we are developing a list of people who would be interested in being part of such a group and their preference for where to meet. If you, or another Homestead resident is interested, please contact Louise Zabel (717-984-6604 | ldvilla@comcast.net) or Pastor Joe (717-392-5718x8202 | josephm@apostlesucc.org). Your reply will help us complete the planning to launch this new opportunity for connection and spiritual growth. The tentative launch date is early March.

Celebrating Service

The members of the Growth Taskforce celebrate and give thanks for Tom Lewis and his five years of service on the taskforce. We have been blessed by Tom's passion, creativity, and his deep desire for the growth of God's ministry expressed through this congregation. As Tom seeks new callings in ministry, our prayers and thanks are with him.

We also want to thank John & Bonnie Eshbach and Maggie & Dave Shick for the 20 plus years of preparing our communion elements. Your dedication to this important ministry was invaluable to our celebration of the sacrament. Not only did you give of your time but of your resources as you supplied bread and juice all those years. THANK YOU TO EVERYONE! THANK YOU!

Worship at Burkholder Chapel, Homestead Village

On the first Sunday of the month, we are offering a worship service for members living at Homestead Village at 1 pm in Burkholder Chapel. This service is particularly designed for those living in the apartments for whom coming to church is physically challenging. We are also providing monthly worship in the Apostles Center for Care at 2 pm on the same days. These services will worship our Lord through word and song as we give thanks, confess, and share about the life of discipleship.

Transportation to Services

Are you a member who needs a ride to church? Do you need assistance with meals? Parish Life would like to help. Please call the Church office at (717) 392-5718 and give your name, phone number, and mention you would like to receive transportation!

Would You Benefit from Home Visitations?

As we step into 2022 we are in the process of updating our Special Ministries list for the Eucharistic Ministers and pastoral staff. If your life and mobility situation has changed so that being physically present with the congregation is no longer a possibility, we would like to include you in this ministry. Inclusion opens you to receiving home communion from our Eucharistic ministers and pastoral visits over the year. For more information, or to sign up, please contact the church office.

Inclement Weather Announcements

Winter has arrived! As a congregation, our policy is generally to follow the Hempfield School District. In the event of office closure or the inability to safely hold worship or other events we will post on WGAL-TV 8 and their app. We will also include a message on the office phone and a post on Facebook when there is a closure or delay.

A MUSICAL NOTE

WITH LARS POTTEIGER

“Still, still, still, one can hear the falling snow.”
 “Still, Still, Still” - Austrian Carol

The Apostles Academy of Arts and Sciences is proud to present the Malta Band in concert on February 20th at 3 pm in the sanctuary. The Malta Band is one of the oldest concert bands in the Lancaster area, and has been in existence for over one-hundred years.

I would like to share a brief devotion that I wrote in the new year after the dust settled from the holidays. I find winter to be a great time of year to take a breath, to re-center and refuel for the upcoming year. How can we be more intentional in our time with God? Can God’s “spirit” of the season, a spirit of stillness and listening, be a part of our daily practice and time with God? What does the Bible have to say about this?

Proverbs 17:28

Even a fool, when he keeps silent, is considered wise;
 When he closes his lips, he is considered prudent.

I feel as if the writer of this verse is offering some great wisdom with a little bit of a wink thrown in. What does this verse say about the wise, or how we perceive the wise for that matter? What does it say about the value in sometimes saying nothing? In saying nothing we can be either wise or foolish; perhaps being the wise-fool is sometimes the best choice...

Psalms 46:10

Cease striving and know that I am God;
 I will be exalted among the nations, I will be exalted in the earth.

Cease striving; that’s a relief, sounds good to me! I don’t think that’s what the writer is calling us to do. We are not called to give up and not achieve goals in our lives, instead, this verse calls us to trust in God as we go about our day-to-day activities. To know and grow in our relationship with God can grow our trust, which can help us to grow deeper in our faith and relationship with God. In this season of stillness, how can taking some time with God help us to grow in faith and relationship with God and one another?

Psalms 62:1

Truly my soul finds rest in God; my salvation comes from him.

Amen, amen, amen! God is our place of comfort, rest, and stillness. I pray that you are able to find this place of stillness in your time with God, and in your day-to-day life. A great musician and composer, while discussing how he centered himself to get into his creative space, said “Sometimes you got to turn up the silence to get rid of the noise!” What are some ways that you can turn up the silence and find stillness to enter into God’s presence more fully? How might this be transformative in your life and relationships?

Blessings and Peace,
 Lars

Apostles Community Preschool

717-392-5598

1850 Marietta Avenue
Lancaster, PA 17603

Apostles Community Preschool traveled to Hawaii for the cold, snowy month of January. Children boarded Apostles Airlines for a special three week trip to Hawaii! Once landing in Hawaii, the children were greeted with leis. During their stay, we explored the beauty of the islands including the animals, flowers, beaches and volcanoes. We ended the unit with a special luau! Aloha!

The children have been enjoying their monthly Storytime in the Sanctuary with Pastor Kuhn! It's a special time to read and pray together.

The Preschool also had their Open House for the upcoming 2022-2023 school year. Are you or anyone you know looking for a loving, caring, high-quality educational preschool experience for your child? If so, registration is still open and we would be honored to be your child's first school experience.

Community Outreach

Market Basket (Grocery Cards)

Do you shop at **Stauffers**, **Giant** or **Weis** markets? Are you willing to earn 5% cashback for our church just by purchasing your usual groceries? At absolutely no cost to you! We hope so! That's why our sale of Grocery cards here at COA continues undaunted while covid safety precautions continue.

On the **first and second Sundays** of each month, you may order (with payment by cash, check or Realm) Stauffers (\$50), Giant (\$50), or Weis (\$50) Grocery Cards. *Some cards may be available for immediate purchase and use.* Purchased cards are useable the same as cash at the appropriate grocery stores. The benefit is that the church gets a 5% return from our bulk purchases of cards. These additional funds are then used to support our Outreach programs.

There are a couple of ways to purchase grocery cards currently:

1. You may order cards (with payment at time of order) OR (to be paid for upon receipt) to be picked up on the first two Sundays of the following month. **You may now pay via the Realm site** (*plus courtesy fee*). Cards may be ordered **in the Narthex** on the 1st and 2nd Sundays of the month, following each worship service. Simply complete an available order form, attach your payment (check payable to COA with Market Basket on the memo line), Realm or cash, and give it to the person at the table.
2. You may order cards for immediate purchase and pickup (we often, but not always, have some extra cards beyond the number that have been pre-ordered) by phoning Karen Helmeczi (717-299-2972) or emailing to kjhelmeczi@gmail.com. Arrangements can be made to pick up and pay for these cards (check to COA as above or cash) on Sunday mornings or other convenient times or at the Helmeczi residence in Homestead Village (1832 Westcott Drive) very near the church or other negotiated location.

Please call if you have questions. - *Karen Helmeczi*

Refugee Family

As most of you know, Church World Services in Lancaster is in the process of resettling a number of refugee families, including those from Afghanistan. Several church members had attended a series of meetings with CWS last fall at Homestead Village and there seems to be a lot of interest in working with CWS to help with transitioning a refugee family to life in Lancaster. If you are interested in the possibility of exploring ways that we can become involved in this process, please contact me at LLewis103@comcast.net.

Thank You - *Linda Lewis*

Apostles Caring Carts

Written by Jane McCartney

Happy Treats for Heroes

I don't think any of us ever thought that this pandemic would last this long and have such catastrophic effects on our population and our medical staff. The medical staff, especially hospital staff, have certainly been challenged beyond what I can imagine. These dedicated workers are true heroes. We would like to treat these heroes to let them know that we care and that we are thankful for them. Please consider helping to support this ministry by buying small packs of treats/snacks and putting them in the LARGE Caring Cart in the Narthex. Some ideas are: small packs of crackers, chips, trail mix, nuts, mints, goldfish, pretzels, popcorn, life savers, cookies, or anything else that you would like to have for a treat. We will put these treats in large baskets and deliver them to LGH for the staff in the COVID unit and ER. We will continue to collect Happy Treats for Heroes until February 20th. Thank you for thinking about our heroes! .

Donations for the Afghan Refugees

Lancaster has just been praised in an article in the National Geographic Magazine for its support of the Afghan refugees! Lancaster is described as "An Amish refuge, a college town, and the "Ellis Island of the South" are resettling more refugees per capita than any other US cities". The article is entitled "Afghan Refugees are Finding A Warm Welcome in Small Town America" and praises the work of CWS Lancaster Immigration and Refugee Program. As a congregation, we have had a huge part in this accomplishment! We have donated three trunk loads of wonderful new supplies and a total of \$450.00 in grocery cards to the refugees supported by the CWS program. I was so proud to deliver these donations and they were over-the-moon happy to receive them! Thank you SO much to all of you for your generous giving and kindness! You can never think that your donations do not make a difference because they most certainly do! I am so proud of the Outreach work that COA supports!

Adopt a Classroom

Once again, we are hoping to adopt classrooms at Martin Elementary School. We have a wonderful connection with Martin through gifting their students at Christmas and providing Power Packs weekly to their families who need assistance with food. It costs \$250.00 to adopt a classroom and our commissions have each contributed that amount. There is still time to contribute to this wonderful ministry. We will continue to collect contributions through February and March. Please write Adopt a Classroom in the memo space on your check or you can donate on-line through the website and/or Realm. All contributions will go directly to the Lancaster Education Foundation which will, in turn, give all funds to Martin. Thank you for supporting education in our community!
