A Publication of Church of the Apostles, A United Church of Christ Congregation

July 2021 Vol. 45 No.7

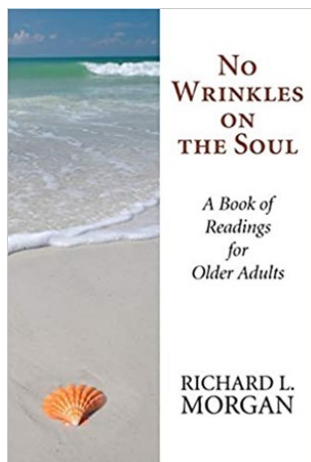

## Pastor's Corner

As we currently appear to have turned a corner with the pandemic, we are ready to begin gathering and re-connecting in many ways. Over the past 15 months, the church has been active quietly, in behind-the-scenes ways, using our creativity and flexibility to continue to bring a message of hope and faith to our congregation and the greater community. It has felt as though this time of in-person gatherings without masks may never come, but it has and yet this is not a return just to what has been.

The pandemic has taught us that we need to be as intentional of our online presence as we are of our physical space. We are connecting with people from as far away as the Philippines through our Facebook devotional posts and our YouTube videos. Recognizing this, it is my hope that we will be adding to our online presence in new ways as well as making the early service available there too.

Plans are being made to host our Garage Sale in September and our Christmas in the Country bazaar in November, but they will look and feel different. Instead of having Vacation Bible School as we have in the past, we are looking to host Compassion Camp gatherings with the first being Sunday, July 25<sup>th</sup>. These will be intergenerational events where people of all ages are encouraged to attend, have some fun, learn a bit and physically be with others in our beautiful park.

One of the challenges of re-opening is realizing that we are not the same people. Our experience of the pandemic has varied greatly depending on where we lived and how many people were in our "bubble." I encourage us to listen to one another and to share with one another the challenges we have personally faced as we share empathy and compassion with one another. This helps us to build our compassion and empathy for those we do not yet know who are looking for a church to call home.

### "No Wrinkles on the Soul"

Our Widows Support group is transforming into a new group to explore our faith as we age. We will meet monthly on the last Wednesday of the month at 9:30 am for a Bible reading and reflection based on the book by Richard L. Morgan. If you have interest in reconnecting with others, consider joining us in the parlor for the conversation about how our faith affects our life and how we may age gracefully. Please mark your calendars for July 28<sup>th</sup> at 9:30 am and join us!

# A Message from the Council President

---

As I was reflecting about just what to write for this message, I went through my devotions file and found this quote:

“Strong hope is a much greater stimulant of life than any single joy could be”  
Friedrich Nietzsche

This took me back to the dark days of the early part of the pandemic. We didn't know what the outcome would be....but as Christians, we have the gift of hope and are rooted in Him. Here we are on the down-side of the pandemic thanks to the work of scientists, health care workers and others who helped to keep us safe. But I think what got me through is that strong HOPE, rooted in Christ and built up in him.

“Just as you have received Christ Jesus as Lord, continue to live in Him, rooted and built up in Him,” - Colossians 2:6-7

I wanted to express gratitude to the members of COA who worked on the Re-opening Task Force and met frequently throughout the pandemic time to discern the best way to keep ALL of us safe. At times, there were disagreements, but overall we were able to remain grounded in the greatest commandment to love our neighbor as ourselves and come to a consensus. These people are: Barbara Achtermann, Bernie Fickes, Herb Forry, Erika Neiderer, Linda Lewis, Judy Waltman, Eric Maclaren, and Pastor Kathy. As we re-open COA more fully, let us all continue to be rooted in HOPE and LOVE for one another and embrace sharing Christ's love with all people.

Blessings,  
Donna Carr

## In the Know...

### 2021 Garage Sale

I am thrilled to announce that barring unforeseen circumstances, we will be having our Garage Sale on September 24th and Saturday, September 25th. Many helpers will be needed Sept. 20th to Sept. 24th for sorting, pricing, and arranging so please start thinking about how many days you could help. It seems far away, but there is lots to do before it happens — Clara Kosmela.

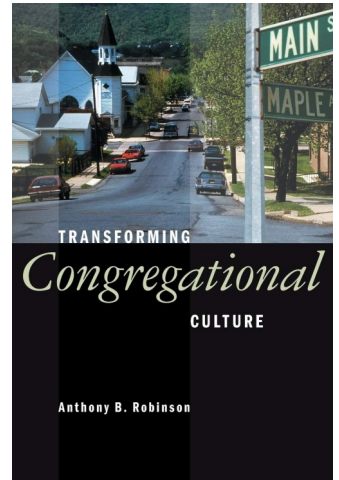

### Parish Life Book Club

The COA Book Club will meet in the Narthex on July 13th at 2:00 pm to discuss American Duchess by Karen Harper. On August 10th we will discuss CASTE by Isabel Wilkerson. John Lewis and the Power of Hope by John Meachum is our book for Sept. 14th. On October 12th we will discuss The Residence by Kate Anderson Brower, and on November 9th we will discuss Dearly Beloved by Cara Well. Please consider joining us whether you have read the book or not. Any questions, please call Clara Kosmela at (717) 569-9960.

## Church Wide Book Study

After so many months of isolation and distancing, it is time to join together and to grow in our discipleship to Christ. Focusing on Anthony B. Robinson's book, Transforming Congregational Culture, this church wide study, led by Pastor Motz, will run for a total of 6 sessions from July 14<sup>th</sup> to August 29<sup>th</sup> (with a one week break from August 9<sup>th</sup> - 15<sup>th</sup>).

Ben Campbell Johnson writes of this book, "Too many mainline congregations operate on old assumptions about their role in today's world. Robinson, a pastor, has worked his way through these misperceptions to new goals of ministry. He calls us back to the purpose of the church — the transformation of life — and he gives practical, workable approaches for making the necessary shifts."

Endorsed by the Growth Taskforce as a book that "meets us where we are at," this study will be a rich time of discussion, reflection, and anticipation for where God is leading us.

To engage as many people as possible there three options for participation:

- In person: Sundays from 10:10-10:50am or Wednesdays from 11am-12pm.
- By Zoom: Thursdays from 7-8pm

Please register with the church office or by clicking "[in person](#)" or "[zoom](#)" to indicate the day you will primarily be attending. This will ensure we are preparing adequate space. Please note you are welcome to switch between sessions as needed, and if you can't make a week simply join in the following week.

Lastly be sure to order the book, Transforming Congregational Culture, and have read the first two chapters by the first session. The book is readily found as a used book on Amazon (for under \$10) or other similar used book retailers. Limited copies will also be available for purchase before and after worship.

If you have any questions, contact Pastor Motz.

## Reopening Task Force Update

We have continued to monitor the Covid case statistics in our community as well as the PA Department of Health and CDC guidance. Emerging from the pandemic restrictions is “a work in progress”! We ask patience and Christian love with all....both inside and outside the walls of our church.

**Mask usage:** Fully vaccinated people do not have to wear masks. We are asking all who are NOT vaccinated to continue to mask up when INSIDE the church. Also, we are aware that there are members who cannot be vaccinated due to their personal health conditions. Children under age 12 cannot yet be vaccinated and their parents may choose to have them wear masks. Please be respectful of all. Masks should be worn by all when singing inside because singing can cause aerosolization of the Corona Virus (research is evolving in this area). For outdoor worship, masks are not required but may be worn as you wish.

**Social distancing:** We will continue to have the pews marked for seating safety in the sanctuary. If you wish to socialize with fellow members, we ask that for the time being that this be done outdoors rather than gathering in the Narthex.

**Hand sanitizing:** We ask that members continue to practice good hand hygiene and make use of the sanitizing stations in the Narthex.

**Communion:** We will continue to make pre-packaged elements available at communion services. Members may continue to bring their own elements.

**Pew items:** Welcome Cards will continue to be used to mark attendance and make concerns known to the Pastors. They can be deposited into the wooden box on the table in the narthex along with your offering envelopes. Bibles and hymnals will be returned to their location in the pews. Please help reduce unnecessary contact by taking any paper items such as bulletins/tissues etc with you when you leave the service.

**Food and drink:** We are not offering the coffee service and hospitality table for the summer. We ask that you not bring your own drinks into the sanctuary at this time.

Sunday School is being held outside in Rader Park for the safety of unvaccinated children during the 9am worship service.

Please address any concern or suggestions to Donna Carr (717-475-5285 or email at [skeetcarr@comcast.net](mailto:skeetcarr@comcast.net)).

We will continue to collect donations until the end of August in the large Caring Cart in the narthex. The school has children grades K-6th. ## Congregational Life

### United Church of Christ and Us

Church of the Apostles is one church in a larger body of churches. The chart below shows you just a section of where Church of the Apostles fits into the wider (National) United Church of Christ. Penn Central Conference had our annual meeting on June 12th. The National Church's annual meeting (called General Synod) will be virtual on July 11th-18th.

# A MUSICAL NOTE

WITH LARS POTTEIGER

There are a number of patriotic songs that come to mind that we sing to celebrate our nation's independence on the Fourth of July. "America," also known as "My Country 'Tis of Thee," is one of these popular patriotic songs that has a very unique story behind its inception. Our nation is not the only country to use this song as its national anthem: it was used as the national anthem for at least seven other countries by the time it was first printed in the American British colonies in the mid-1700s.

The melodic origins of "America" are unknown. The tune was first published in a music book in England in 1744 titled *Thesaurus Musicus*. Shortly thereafter this tune became very popular in England under the title of "God Save the King" and became the national anthem for the United Kingdom. Other nations use this same melody with different text for some military hymns as well as their own national anthems.

The origins of the text for "America" are more straightforward than its melody. Samuel Smith penned the lyrics in 1831 and first premiered the song at an Independence Day celebration that same year. There are other versions of text set to this same melody as well. One version was written for George Washington for his first inauguration. There was also a version written for the abolitionist movement in 1843 that speaks out against the injustices of slavery. This practice of setting different lyrics to familiar melodies was very commonplace in early American history. Songwriters would write their lyrics down and sell them in an early form of sheet music known as a broadside. Broad sides helped to birth a popular American musical culture as well as the music industry in the United States.

Please keep a lookout for various musical offerings for August and the fall in the August edition of the Crown. May God give you peace, blessings, and joy this summer!

## Wondering Where to Send Articles for the Crown?

Please send articles for the August edition of the Crown to Schuyler Nissly, the Administrative and Communications coordinator by Thursday July 15 at: [office@apostlesucc.org](mailto:office@apostlesucc.org). Articles sent after the deadline will not make it into the August edition of the Crown so be prompt!

Flowers are an integral part of our worship service. Not only providing a physical symbol of beauty during our worship, after the service they are given as a symbol of love and caring to a member of our community who is unable to be with us physically. The cost of our flowers and bulletins averages about \$140 a week. Our suggested contribution for sponsoring flowers and bulletins is \$35; however, any amount is welcomed and appreciated.

If you would like to sponsor flowers, please fill out the form below and place it in the offering plate or send it into the office. You can also sponsor flowers online at <https://secure.myvanco.com/YGMP/campaign/C-YH1E>. A thank-you letter will be sent following your sponsorship with directions for sending in your donation. Thank you for your support in this important ministry.
