THE CROWN

A Publication of Church of the Apostles, A United Church of Christ Congregation

June 2021 Vol. 45 No.5

From The Associate Pastor

"I have no silver or gold, but what I have I give you; in the name of Jesus Christ of Nazareth, stand up and walk." –Acts 3:6

What do we have to offer into this world? What do we have to offer as individuals and what do we have to offer as a church? For the early church the answer was clear and straightforward. They had no church buildings, they had no music programs, they had no endowments, and they had very few people. But what they had was worth far more than any of these things. What they had was a deep abiding relationship with Christ that was transforming their lives each and every day. What they had was a desire to share this gift with others so that more people could come to experience the joy and life they knew in Christ. And in their sharing of this one gift, lives were healed and the world was transformed.

Without question, this gift still lives at the center of God's church. It is still the light and the life needed within this world. And though held by the church and needed by the world, the church often times struggles to allow this light of God's hope to shine out into the world. But in the places where it does, in the instances where the church leads with this core gift of God's abiding presence, there is excitement, and healing, and vitality, and life birthed of God's Spirit.

If this last paragraph stirred your heart in some way, then I invite you to participate in a congregational-wide discussion that will be starting this July. Seeking to inspire the soul, while confronting cultural realities, we will be focusing on the calling God has placed upon this congregation and what it means to live as Christ's disciples in today's world.

Utilizing Anthony B. Robinson's book, Transforming Congregational Culture, we'll discuss the cultural changes that have challenged Christianity in the United States and how the church's core mission is even more critical and transformative than fifty years ago.

Details will be finalized in early June and will include multiple sessions each week for a total of 4-6 weeks. We are sharing this information now, so that you purchase a book (used copies are available for \$5-\$10) and so that you can begin to ask the question – What do we have to offer into this world?

Sincerely In Christ,
Rev. Joseph A. Motz

A Message from the Council President: *Change*

One thing I love about this time of year is the CHANGE that is evident in the world around us. The plants are blossoming, the trees are filling with leaves, and out on my back patio...a momma robin is feeding three baby birds that a week ago were just eggs nestled under her feathered breast. It's new life all around.

“To live is to change, to mature, and to mature is to go on creating oneself endlessly” - Henri Bergson.

Spirituality is about change as well; Why? Because spirituality is about life, and life is always changing. To resist change is to resist life, and this involves God. When we resist change we are resisting God. When we understand that God is alive within each of us, then resisting change is self-defeating. Opportunity, growth, and peace are all associated with change. Then, to resist change is to say NO to the plans that God has in place for us.

There have been many times in my life when I had to change, and did I like it? No, not at all most times. But, when reflecting back on the change and what it brought about in my life, I can see the hand of God. I think that we as a church body are also resistant to change. We struggle and fight it and bemoan the fact that “that’s not how we do it.” But this pandemic has brought about multiple areas of change in all aspects of our lives. The church is not immune to this change. Can we just listen for the direction that God is pointing us in and not fight it so much? Please join in the new life coming back into the life of COA and lean into the change!!!! Join in the dance of life with God and invite others to join in as well :) :) To everything, turn, turn, turn, here is a season, turn, turn, turn and a time to every purpose under heaven.

Blessings,
Donna Carr

Updates and Reminders

COVID and Re-Opening Task Force
The Re-opening Task Force has been monitoring the COVID cases in the community as well as the PA Department of Health announcements about COVID restriction changes. At last check, the case positivity rate was at 5.3% which is a good trend downward!! Effective 5/16/21 service, we are discontinuing the temperature checks and COVID screening questions for entry into inside services. We ask that masks continue to be used, social distancing practiced and hands are sanitized frequently. And of course, if you are ill, we ask that you stay home and take advantage of our on line service viewing options. We thank everyone for their cooperation with all the COVID courtesy practices that helped us to keep ALL our COA members safe. We will keep you up to date as things gradually get back to normal. And, if anyone is still in need of assistance in obtaining a COVID vaccine, please contact Donna Carr.

Many activities are resuming inside using the same precautions. Weddings, funerals and other gatherings may be scheduled as well. We do ask that the number of the attendees be within a guideline of no more than 150 in the sanctuary or fellowship hall through the summer months. And as always, remember that we have a beautiful outdoor opportunity for gathering in Rader Park. Our bigger events of the Garage Sale and the Bazaar are being scheduled with modifications. This is a work in progress and we thank you for your patience and cooperation. Please direct any requests for reservations of rooms to office@apostlesucc.org. Any other questions should be directed to Donna Carr (717-475-5285) or skeetcarr@comcast.net.

Outreach Committee
June is the month Church of the Apostles has a special offering for the Lancaster Theological Seminary. You will find in your box an envelope or you may contribute on-line or by check.

On Sunday, May 9th, our congregation was blessed to recognize two members of our church, Jonathan Paredes and Beth Thompson, as graduates of the Seminary.

The seminary has been affiliated with the United Church of Christ for many years. It provides programs that help to nurture leaders from many Christian backgrounds. Its outreach includes local and global communities of faith.

Lifetouch Directory Reminder
In June we will lose access to our mobile Lifetouch directory. It is our plan to have our new data base, Realm, ready to provide a mobile directory for you by then. If you use the mobile directory on your phone, search for the app Realm Connect wherever you get your apps and download it so you are ready.

Community Outreach

Apostles Caring Carts

Thank you for all of your donations to the Apostles Assistance Fund on Donation Fridays when the church was in lockdown. The Caring Carts are back in place in the Narthex. The small Cart will continue to collect donations of food, personal care supplies, and home care supplies for the Assistance Fund. In the large cart we will be collecting specific items for ABBA Christian School and Orphanage in Kenya, Africa. Randy Leonard has volunteered in the school with a group and speaks very highly of this school and its founders.

The Outreach Commission has donated funds twice to help support the school and we would also like to donate items that these children desperately need. We are asking for donations of children's flip flops, jump ropes, rubber boots, pencils, erasers, pencil sharpeners, socks, underwear (boys and girls), crayons, and chalk. The children range in age from kindergarten to sixth grade. We will be collecting these items until the end of June. Thank you!

How A Webinar titled "How An Open and Affirming Covenant Can Transform Your Church" Helped Me

By: Holly Kleimo

On April 21st, I attended the above webinar and I would like to share with you some of what I gleaned from it. It was presented by Andy Lang, the executive director for the Open and Affirming Coalition, an independent non profit that works with National UCC out of Cleveland Ohio. I found the presentation to be very informative and Andy explained how to approach this topic in a way that would strengthen, not divide the church. According to Andy, the beginning premise for an open discussion should be based on Romans, Chapter 15, verses 5-7. These verses follow: "May the God of steadfastness and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus, that together you may with one voice glorify the God and Father of our Lord Jesus Christ. Welcome one another, therefore, as Christ has welcomed you, for the glory of God."

Andy discussed the concept that becoming Open and Affirming as a covenant with God and is actually an act of praise. He also stressed the importance of this being a written covenant because this makes the intention of the church clear. It isn't enough to just say we are a welcoming congregation made up of nice people. The church needs to make a commitment in words that explains exactly what the covenant entails. By doing this we would hold true to our vocation to restore wholeness to the broken body of Christ. Such a covenant can be designed to build relationship and unity within the church. This is also something that would help to build membership within a congregation. He pointed out that Open and Affirming Churches are growing faster than others because many millennial parents with young children want their children to grow up to be accepting of all of God's children. They are not interested in churches that are not all-inclusive.

This webinar provided me with much food for thought. I believe we as a congregation could benefit by prayerfully considering what Open and Affirming actually means and whether or not it is a path we wish to follow. I made note of some resources that were mentioned in the webinar. If you are interested, please feel free to get in touch with me.

A MUSICAL NOTE WITH LARS POTTEIGER

The warm weather is here, and it is great time of year to be out and about. I am grateful that we are able to gather and spend time with friends and family more than we were during the early part of the pandemic. If you are looking for something to do to get out and about, Church of the Apostles is hosting some performances later in June.

Pianist Maria Corley will give a concert in our sanctuary as part of our Apostles Academy Concert Series on 6/12 at 3pm. Ms. Corley is not only an accomplished pianist, she is also an educator, voice actor, award-winning poet, and author. You can read more about Ms. Corley on the web at mariacorley.com and find out more about her various projects and performance dates.

Storyteller Bill Hager is performing a dramatic reading of his Mary Poppins inspired story, "The Nanny in the Manor House." This performance will take place on 6/26 at 7pm. Mr. Hager engages his audience in a multimedia telling of this beloved story with a unique twist: the children that Mary Poppins cared for have all grown up! This all ages performance will be held in our sanctuary. A freewill offering will be collected for the Lancaster County Children's Alliance in lieu of tickets for the performance this evening. One hundred percent of the money collected will be donated to this charity to assist with their work in the Lancaster area. Please email me at larsp@apostlesucc.org to place your reservation for this performance, as we have limited seating available and seating is disappearing quickly.

I have begun a weekly online music ministry series titled "Sounds for the Soul." This series features videos of music selections that will appear weekly on the church's website and other media platforms, going live each Thursday at 3pm. Music speaks to us all in unique and individual ways. Please feel free to share these videos with anyone that would enjoy some music for their soul!

Blessings,
