A Publication of Church of the Apostles, A United Church of Christ Congregation

Pastor's Corner

"Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect." – Romans 12:2

Since Epiphany we have been using the book Five Practices of Fruitful Congregations by Robert Schnase as we consider how God is calling us into the future. Through this time we have been meeting in small groups to talk about Schnase's ideas and how they may apply to us. We have had conversations around how we can offer more hospitality to each other and to our guests. We have explored what passionate worship looks like for us and how we may be more intentional about our faith development.

This month we will be exploring risk-taking mission and extravagant generosity. We are a congregation who has always been strong in supporting outreach efforts and missions, particularly financially; however, Schnase challenges us to consider mission and service in terms of building relationships. It is about leaving our comfort zones to work with people who may be very different from us. In these situations, all parties gain from the experience that is shared. This is like sponsoring a refugee family through Church World Service and being a guide and source of hospitality as they adjust to the customs of our country and area. Extravagant generosity far exceeds what we usually call our offerings or giving to the church. This invites us to see our stewardship as how we share all of our resources with others like the first disciples in the Book of Acts. It is a pooling of resources so that all have what they need. How might we make our resources available to other groups within our community as a community partner?

An overarching theme in this book is asking us to reflect on how we engage our greater community. Do we know them? Might we offer them worship in a place where they naturally gather? Are there "hands-on" mission projects we can undertake to build relationships within the greater community or world? Listening for God's wisdom on questions like these is important work. I hope you join in the discussion sessions on the weeks of March 13th and March 27th.

Blessings and peace,

Rev. Kuhn

A Message from the Council President

“Faith is taking the first step even when you can’t see the whole staircase.”

I was driving around town on errands and this church sign caught my eye. As I thought about it, the sentiment seemed to resonate with what we as a church congregation are being asked to do.....take that first step out to consider what a church vitality consultant might do to assist us with the future of Church of the Apostles. The first step is giving the OK to support forming an Investigation Team to look at the various organizations who do this work and what the best fit for our church might be. Many of you are taking part in some discussions about this when you have joined and participated in the group sessions about the “Fruitful Congregations” sermons. And these sessions are continuing through the month of March. You can still join in....call the church office to register or use the REALM app to sign up.

In doing some Bible study about this topic of faith, I found two passages that fit my thoughts on the topic: “Truly I tell you, if you have faith as small as a mustard seed you can say to this mountain: “Move from here,” and it will move. Nothing will be impossible for you.” - Matthew 17:20 and “Faith without works is dead.” - James 2:17

The first passage reassures us that faith can move mountains; if we put our trust in God, his power can help US to move mountains. And following up; WE must do the works of faith in God. We need to put out trust in God’s will for us and listen for his voice to direct our works. Some of those works involve getting involved in the discussion groups and lending your input to the effort. If an Investigation Team is formed, commit to being supportive and involved in following the efforts of the team. And if a consultant comes to COA, be involved with your participation of the work to revitalize COA for the coming years. Many good works directed by faith have come from members of our congregation; and many more will surely come.

Blessings,
Donna Carr

The Labyrinth in Lent

For the season of Lent, we will have a labyrinth available for you to walk on Wednesdays with greeters available from 10-11 am, and 5-6 pm weekly. A labyrinth may resemble a maze but there is no wrong way to walk it. There is one path into the center and the same path brings you back out. It invites us to walk in to the heart of God and then to walk back out to the world again. There will be meditation sheets available to assist you as well.

Jesus De/Constructed: Rediscovering the Freaking Awesome Jesus for the First Time Again & Again

Diana Butler Bass & Tripp Fuller, two contemporary theologians are looking at how the church has confined and misrepresented Jesus over the years. They are offering a [video conversation](#) each Thursday in Lent at 5 pm and Rev. Kuhn is offering a 7 pm discussion via Zoom based on their conversation and Bass' book, *Freeing Jesus: Rediscovering Jesus as Friend, Teacher, Savior, Lord, Way, and Presence*. If you are interested in this discussion, please register via Realm or with Rev. Kuhn.

New Bible Study Forming

Join in an 8-week Bible Study held each Tuesday, March 8 – April 26th, from 10:30-11:30 in Homestead's Burkholder Chapel (located in the apartment building). Titled "An Old Testament Journey Through Holy Week," we will discuss the connections between Matthew's telling of Holy Week and the Old Testament. This ecumenical study is a great opportunity for all seeking to intentionally journey through Lent and into Easter.

Each session will be led by Pastor Joe. The first week will focus on Bible basics that gives insight to the variety of translations and interpretations of Scripture. Succeeding sessions will focus on Jesus' progression through Holy Week and the underlying scriptural connections to Israel's prophets and teachers. Conversations include the stories of:

- Jesus' Triumphant Entry
- The Parable of the Wicked Tenants
- Questioning of Jesus by the Pharisees, Sadducees, and Essenes
- Signs of the End of the Age
- Jesus' Death
- and His Resurrection

Bring a bible and your curiosity as we explore and discuss with one another.

“Heat it Up” Boiler Campaign - Update

As of writing this article, this congregation has already contributed over \$34,000 towards the \$40,000 goal to replace our failing boilers. COA Garage Sale Set for April 22 & 23!

Written by Clara Kosmela

Although the dates seem far away, there is much to be done before the sale can begin. Hopefully you have started saving items to donate for us to sell. These can be brought to Fellowship Hall or the hallway across from the kitchen the week after Easter on Monday, Tuesday, and Wednesday from 9 am to 8 pm. You may also bring items on Thursday, April 21st until NOON.

Cindy Williams will be calling for helpers to price, sort, fold clothes and organize items on the tables. If we are lucky enough to get many items then many helpers are needed! Cindy will be very pleased if you call her at 717-715-0716 and volunteered.

Doris Robb will be calling for cashiers sometime in March. Please be prepared to help us out by agreeing to cashier Friday sometime between 8 am and 2 pm or Saturday 8 am to 1pm. You can get the time most convenient for you if you call Doris at 717-393-7788.

Another way to help is to donate hot dogs (not chicken), hot dog rolls, sodas (coke, diet coke, sprite, or orange soda), 24oz bottles of water, or chocolate cake with peanut butter icing. If we do not need to buy these items, it helps our profit considerably! We also appreciate small baggies with 3-4 cookies or brownies. If you are willing to donate these items please call the church office at 717-392 5718. There will be a tripod with a poster and post it notes for those attending church later in March. Thank you for your help!

Celebrating Service: Who Started the Aluminum Can Collection & Recycling Process for the Support of Rader Park?

Over 30 years ago, early in the morning, Pauline Brown would walk the streets where she lived and pick up aluminum cans and once she had a bag full, she took them to the recycling place on S. Prince Street. A Rader Park fund was started at the church for the money collected from those cans. Pauline did her can “pick-up” quietly for over ten years and during that time she raised \$4,000 for Rader Park.

Today many people save aluminum cans and bring them to the Youth Center. Tom Weaver continues that ministry of picking up those cans and taking them to a recycling center. Without the ambitious effort of Pauline Brown many years ago, we might not have some of the useful additions at Rader Park today.

The Story of Faith Formation Altar Cloth

There is a special meaning to the cloth we use for the altar in the younger Faith Formation class.

In 2004, Apostles presented a Vacation Bible School theme of *Bible Times Marketplace*. Everyone wore a costume (tunic) and moved through stations as a family. We invited a weaver to participate at one of the Bible Times shops. She had each child weave a few rows of yarn into the cloth. She then finished the cloth with fringes and added fish and stars. All the children attending VBS that year had a part in creating the altar cloth.

Community Outreach

Together We Can Welcome Refugees!

Written by Linda Lewis

Church World Services Lancaster (CWS) is committed to showing welcome to refugees, immigrants, and asylum-seekers and other uprooted people within the United States who are seeking safety and the opportunity to rebuild their lives. For more than thirty years, CWS has welcomed thousands of new neighbors from around the world to our beautiful country. Through partnerships with faith groups, organizations and individuals, we empower our newest neighbors to build new lives in peace and security, providing up to five years of service and support.

They are now inviting church groups to form Welcome Teams to assist in the integration of refugees into our community. In the words of CWS, "Welcome Teams collaborate with CWS to empower a refugee family new to Lancaster by walking alongside them in intentional friendship, breaking through the cycle of isolation that oftentimes comes with being new to a community."

Responsibilities of Welcome Teams include:

- Setting up a household (furniture and home goods) for a family.
- Help them to integrate within Lancaster, assisting with transportation, clothing, health, conversation, community and cultural guide, financial education, job development, and schooling.

If you are interested in exploring the idea of forming a Welcome Team here at Church of Apostles, please call me at 717-333-1327 or email me at LLewis103@comcast.net by mid-March at the latest, so that we can meet with CWS to learn more about this opportunity.

One Great Hour of Sharing

The Apostle Paul talks at length about LOVE. The people of Corinth, Ephesus, Galatia were only known to each other through Paul's letters. He urged them to see and live a connection to each other through LOVE. In today's world, it is again difficult to see and live a connection to others. The picture of a woman standing in debris near a sooty, twisted swing frame fills us with sadness. We may imagine the smell as we are shown the muck left behind after a flood. Are those feelings LOVE?

When we give to ONE GREAT HOUR OF SHARING we work alongside families to restore structures, communities, and hope. Our giving ensures that no matter how difficult the situation, LOVE remains, LOVE restores, LOVE connects! On Sunday, March 27, our OGHS offering will be received. If you would like to give online, please [click here to explore your options](#).

Apostles Caring Carts

Written by Jane McCartney

Treats for Heroes Update

Many thanks to all of you who donated treats for the hospital heroes! The staff working in the COVID unit and the ER at LGH were thrilled with all of the treats that we were able to provide for them. These true heroes work so hard every day to care for our community and they certainly appreciate our kindness.

Celebrating New Beginnings with Our Next Ministry!

Our next ministry in the Caring Cart will be in the form of a "Baby Shower!" Everyone loves celebrating new life, so for Mother's Day we would like to "shower" the mothers in the Healthy Beginnings Plus Program at LGH. This is a program which helps first-time, low income mothers and infants receive health care services, health education, emotional support, and guidance. A team of doctors, certified nurse midwives, nurses, and social workers provide support to these new mothers. It is a wonderful program. We will be collecting donations for the infants throughout March, April, and part of May until Mother's Day. Please take a "baby foot" from the poster on the Outreach board and donate the item written on the foot and put your donations in the LARGE Caring Cart in the Narthex before Mother's Day. Thank you for all that you generously donate to all of our Outreach ministries! We are definitely spreading God's love to all people!

Market Basket (Grocery Cards)

Do you shop at **Stauffers**, **Giant** or **Weis** markets? Are you willing to earn 5% cashback for our church just by purchasing your usual groceries? At absolutely no cost to you! We hope so! That's why our sale of Grocery cards here at COA continues undaunted while covid safety precautions continue.

On the **first and second Sundays** of each month, you may order (with payment by cash, check or Realm) Stauffers (\$50), Giant (\$50), or Weis (\$50) Grocery Cards. *Some cards may be available for immediate purchase and use.* Purchased cards are useable the same as cash at the appropriate grocery stores. The benefit is that the church gets a 5% return from our bulk purchases of cards. These additional funds are then used to support our Outreach programs.

There are a couple of ways to purchase grocery cards currently:

1. You may order cards (with payment at time of order) OR (to be paid for upon receipt) to be picked up on the first two Sundays of the following month. **You may now pay via the Realm site** (*plus courtesy fee*). Cards may be ordered **in the Narthex** on the 1st and 2nd Sundays of the month, following each worship service. Simply complete an available order form, attach your payment (check payable to COA with Market Basket on the memo line), Realm or cash, and give it to the person at the table.
2. You may order cards for immediate purchase and pickup (we often, but not always, have some extra cards beyond the number that have been pre-ordered) by phoning Karen Helmeczi (717-299-2972) or emailing to kjhelmeczi@gmail.com. Arrangements can be made to pick up and pay for these cards (check to COA as above or cash) on Sunday mornings or other convenient times or at the Helmeczi residence in Homestead Village (1832 Westcott Drive) very near the church or other negotiated location.

Please call if you have questions. - Karen Helmeczi
