Pastor's Corner

*I lift up my eyes to the hills—from where will my help come?
My help comes from the Lord, who made heaven and earth.*

As I watch the leaves and flowers emerge from their winter's rest, I am reminded of how heavily I have relied on the natural world to sustain me during the past two years. As we also begin to emerge from our socially distanced spaces and look to connect and reconnect, we want to create opportunities for that to happen naturally. Our coffee fellowship has restarted between services and will include snacks on the first Sunday of the month as we get used to eating together again.

Our worship services in May will be focused on the theme "The Gathering" as we listen to stories of how Jesus gathers folks and brings them back into community and healing. On the first Sunday in May, you are invited to bring along a mask you no longer need to hang on the tree in a ritual to name our grief and hear how Christ is revealed "in the breaking of the bread." There will also be a reflection question each week which will be answered by one of our members as we remind each other of who we are and the experience we have lived through even if not physically together. There will also be a board with the focus scripture verse and the opportunity to add your words of encouragement for the community.

On June 5th, we will gather in one worship service to celebrate Pentecost by confirming some of our youth and by welcoming some new members. Beginning with the next edition, we will be running a focus article on members beginning with our greeters. We have also included an article with the names of some former members who we are trying to reach.

We encourage you to take advantage of the opportunities as we look to regain and build our community together!

Blessings & peace,

Rev. Kathryn Kuhn

"Heat It Up" Campaign Update – Boiler Is Installed!

Thanks continues to pour out for the 70+ households who contributed to the Heat It Up Campaign. Though production delays, testing equipment failure, and illness delayed the installation till mid-April, we rejoice in sharing with you that the boiler is now installed. Come fall, this congregation and all the organizations that use our facilities will rest easy knowing there is a dependable, high-efficiency heating system in place warming the church. Thank you for making this investment in God's ministry possible!

A Message from the Council President

I came across an interesting article which described an effort by a bus company in England to offer a “Chatty Bus” for the purpose of connecting lonely and isolated people to others who’d be willing to ride and have a conversation with others. They had found that at least 30% of all Britons go for at least one day each week without meaningful conversation. I’d bet if we did a similar survey in the USA, we’d find that is probably the case for us as well. And stretching that further.....for COA members, many of whom live alone or in a residential or nursing home community, I’m sure that is the case! Many of us have experienced the loneliness that comes from not having someone to talk to in a time of need.

The COVID-19 pandemic has strained the bonds between community members and our church as well. We need to re-establish CONNECTIONS! Now that restrictions on numbers of people attending worship or other events in the Fellowship Hall are loosening we can begin to get more people together.

The coffee cart is now available each Sunday after services which might encourage folks to grab a hot beverage and sit and chat a while. The first Sunday of each month, we will have a Hospitality Food Table....and we know, if you feed them, they will come (and sit and talk!!!!) If we all remember to wear our name tags when we come to worship, it will help us connect.

Butit may take more effort on all of our parts to re-forge those strained and even broken connections. I encourage you to think of someone that you don’t see in church who used to attend on a regular basis. Consider writing them a note or calling them to let them know that you are thinking about them. Jot down the names that you hear mentioned in the prayers each Sunday and intentionally connect with those needing our support. And if you know of a member who lives near you, drop them a card with an offer to help them or visit them if desired.

The Apostle Paul encouraged the Colossian church members to let their conversations be always full of grace (Colossians 1:6) The next time you have an opportunity to connect deeply in conversation, with a COA member or another person you know, look for ways to spend some time in conversation that might be a blessing and an encouragement to both of your lives.

Blessings,
Donna Carr

Home Visits Have Returned

Over the last couple of months I (Pastor Joe) have been having a fabulous time visiting with a variety of individuals within the congregation. Sharing communion, hearing stories, or just connecting after these years of disconnection has been a rich time of blessing. If you would be interested in me stopping by to visit with you, please call me at (717) 392-5718 x8202 or email me at iosephm@apostlesucc.org. I am looking forward to connecting with you!

Monday Morning Bible Study

Did you know that we have a Monday morning Bible study in our parlor from 9:30-11:30 am? This group, led by the retired Rev. Mindy McKonly and her sister Cindy Kahler (our former Director of Music), is currently studying Amy Jill Levine's book "Entering the Passion of Jesus." It is currently a group of women, but is open to anyone looking for an opportunity to grow in their faith.

Consultant Investigation: Starting Interviews

After reviewing several potential consultants, the investigation team will be spending the month of May interviewing three consultants of interest. These consultants have been provided a copy of our January 23rd presentation and a listing of our desired goals to be achieved. Each consultant will be evaluated on the strategies and programs recommended to achieve our goals.

Based on the interviews, next steps will be determined. Potential next steps could include:

- Expand the search of potential consultants (if none of those interviewed are seen as a good fit)
- Engage in follow-up interviews
- Present to Council for consideration

Please keep the members of the Investigation Team in your prayers: Tom Lewis (chair), Johanna Baker, Jennifer Eaton, Randy Leonard, Barbara Achtermann, Doris Robb, Lou Gaudio, Pastor Kuhn, and Pastor Motz.

Preschool News

By Maggie Biggs

"All things bright and beautiful, All creatures great and small, All things wise and wonderful, **The Lord God made them all.**" Psalm 104

Apostles Community Preschool had a wonderful month celebrating everything Spring! The children welcomed spring and prepared their hearts for the celebration of Easter. New life was our focus as we took a look at some of God's smallest spring creatures, bugs & bees. At the end of the month, we welcomed Lisa Sanchez from Lancaster County Parks and Recreation for a school-wide presentation on "Signs of Spring."

We also celebrated Easter with egg hunts, crafts, and songs. We were reminded of God's greatest gift and everlasting love. The children enjoyed hearing an Easter story, read to us by Pastor Kuhn in the Sanctuary. Each class also had a special Spring Sing Show and Artwalk. Only a few short weeks left until summer vacation!

Apostles Preschool Summer Camp

Children from Apostles Preschool will again be enjoying several weeks this summer in the beauty of nature at Rader Park for the school's annual summer camp program. For four weeks this summer (May 31 – June 24), the children will enjoy stories, songs, games, bikes, art projects, and nature walks. Once a week, Lisa Sanchez, naturalist from the Lancaster County Park, will visit to do a nature program with the children. Water Day is held every week, with swimming pools, "fishing", sand, sprinklers, and water balloons! Our themes this summer are based on the animals, fish, birds, reptiles, and insects that are found at the park. The Preschool is so thankful to have such a beautiful setting as Rader Park to enjoy and appreciate the wonders of God's creation!

Kindness Sundays

Each Sunday in Lent, the younger Faith Formation class participated in an act of kindness. The class helped in the food bank, filled eggs for the Easter egg hunt, made Mother's Day cards for the New Beginnings moms and assisted in handing out palms. A display with pictures is on the west lobby bulletin board.

Graduates Wanted

The Education Commission will recognize graduates on Sunday, May 22 at the 9 am worship. Members graduating from high school, college, technical school, etc. please contact the church office at 717-392-5718 or office@apostlesucc.org.

A Musical Note

"For the beauty of the earth, for the glory of the skies, for the love which from our birth over and around us lies.
Christ, our Lord, to you we raise this, our hymn of grateful praise."
- "For the Beauty of the Earth" - Pierpoint

Spring is in the air, the flowers are in bloom, and the weather is getting warmer. I hope that you are able to get out and enjoy the beauty of God's green earth! There are a number of education and performance offerings happening in May and June at COA. I hope you are able to take part in some of these events!

Heritage and Horizons, the Adult Education Division of the Apostles Academy of Arts and Sciences, is hosting their annual spring sessions on the first four Tuesday mornings in May. The first session will start at 9:30am and will be followed by a brief intermission. The second session will begin each morning at 10:50am. This spring's sessions have a rich variety of speakers and topics, ranging from mycology to music, to new takes on old history and social welfare programs benefitting those in need in the Lancaster area. Please visit the church's website at <https://apostlesucc.org/hh/> for more details about the sessions and speakers, and for information on how to register.

The Apostles Academy of Arts and Sciences is hosting their final performance in their 2021-2022 season. Storyteller Bill Hager's performance on May 14th has been rescheduled to June 4th at 7pm. Hager will present a double feature performance this evening, and will be premiering a new work as part of this performance. The Academy is also planning a couple of special performances over the summer. Please look to the church's website and the June Crown for more details.

Community Outreach

Strengthen the Church

By Randy Leonard

On May 22nd there is a special offering for parishioners in Apostles United Church of Christ to cooperatively build up UCC churches in the United States. This shared offering supports congregations in many ways. During the last year investments in technology helped churches enhance their online worship services. Other funds enabled a church to gentrify a neighborhood. Still others with support from their COVID-19 grants were able to virtually serve their communities and congregants. Please give generously to help support these important works.

Hospitality Table

Parish Life has re-opened the hospitality table and is looking for volunteers to manage the table on the first Sunday of each month. Please consider volunteering. Contact Erika Neiderer to volunteer at (717) 413-7246

Dates: 6/5, 7/3, 8/7, 9/4, 10/2, 11/6, and 12/4

Market Basket (Grocery Cards)

By Karen Helmeczi

On the **first and second Sundays** of each month, you may order (with payment by cash, check or Realm) Stauffers (\$50), Giant (\$50), or Weis (\$50) Grocery Cards. *Some cards may be available for immediate purchase and use.* Purchased cards are useable the same as cash at the appropriate grocery stores. The benefit is that the church gets a 5% return from our bulk purchases of cards. These additional funds are then used to support our Outreach programs.

There are a couple of ways to purchase grocery cards currently:

1. You may order cards (with payment at time of order) OR (to be paid for upon receipt) to be picked up on the first two Sundays of the following month. **You may now pay via the Realm site** (*plus courtesy fee*). Cards may be ordered **in the Narthex** on the 1st and 2nd Sundays of the month, following each worship service. Simply complete an available order form, attach your payment (check payable to COA with Market Basket on the memo line), Realm or cash, and give it to the person at the table.
 2. You may order cards for immediate purchase and pickup (we often, but not always, have some extra cards beyond the number that have been pre-ordered) by phoning Karen Helmeczi (717-299-2972) or emailing to kjhelmeczi@gmail.com. Arrangements can be made to pick up and pay for these cards (check to COA as above or cash) on Sunday mornings or other convenient times or at the Helmeczi residence in Homestead Village (1832 Westcott Drive) very near the church or other negotiated location.

Refugee Resettlement

By Linda Lewis

A ministry team of a dozen people has formed to begin the process of resettlement of a refugee family. We are working with Church World Services, a nation-wide ecumenical organization whose purpose is the rehoming of refugees. Their office in Lancaster works with a number of Lancaster churches in forming "welcome teams", who help to set up homes for refugee families and then assist them in learning how to navigate the community. Many of these families are in refugee camps for 10-20 years before having the chance to come to America. They are heavily vetted by the U.S. State Department, the Department of Homeland Security, and others. They must receive a negative Covid test result before boarding their plane and then are quarantined for ten days upon arrival in Lancaster. At this point, we do not know the number of people in the family or the country of origin. CWS has recently rehomed families from Somalia and Afghanistan. They are currently awaiting families from the Ukraine.

The major focus of the Welcome Team at this point is to set up an apartment for the family, completely furnished with household goods and furniture. This is where we are asking the congregation for their help! There will be a poster near the Caring Cart with suggestions for household items for you to return to the cart as soon as possible. Sheets and towels must be new; all other furnishings can be gently used and in good condition. Other options include gift cards to Target, Wal-Mart, checks made out to Church of the Apostles, with "Refugee Resettlement" on the memo line, or contribute online. If you have any furniture that you would like to donate, please contact Linda Lewis at 717-333-1327 or LLewis103@comcast.net.

The Welcome Team is most appreciative of the faithful cooperation of our congregation in providing necessary home goods for the family that will be arriving soon. We are definitely "sharing Christ's love with all people"!

Adopt A Classroom Thank You

Thank you to all of the commissions and to members of the congregation who have donated to the Adopt A Classroom program organized by the Lancaster Education Foundation specifically for School District of Lancaster students. We are pleased to announce that we have collected a grand total of \$3,100.33 for this program. We will be able to support many classrooms with this amount! Thank you so much for your generous giving!

Treats for Heroes Thank You

Dear Church of the Apostles,

A much belated thank you for your kindness providing much enjoyed snacks to my department last month. The emergency department like everyone else has faced a tough several years with the pandemic. Something as basic as a bag of chips can really make a positive impact on a bad shift and your gift did that for many of the Staff! Please let the members of your congregation know how much this was appreciated.

Sincerely, Don Berkow, MD Chair of ED LGH

Flowers are an integral part of our worship service. Not only providing a physical symbol of beauty during our worship, after the service they are given as a symbol of love and caring to a member of our community who is unable to be with us physically. The cost of our flowers and bulletins averages about \$110 a week. Our suggested contribution for sponsoring flowers and bulletins is \$35; however, any amount is welcomed and appreciated.

If you would like to sponsor flowers, please fill out the form below and place it in the offering plate or send it into the office. A thank-you letter will be sent following your sponsorship. Thank you for your support in this important ministry.
