

THE CROWN NEWS

November 2023 Vol. 47 No. 11

Pastor's Corner

*If you remove the yoke from among you, the accusing finger, and malicious speech;
If you lavish your food on the hungry and satisfy the afflicted;
Then your light shall rise in the darkness, and your gloom shall become like midday....
"Repairer of the breach," they shall call you,
"Restorer of ruined dwellings." —Isaiah 58:9–10, 12*

Now that we have affirmed our new Vision and Mission statements, it is time to begin living into these statements as a congregation which came from you in the Jeremiah project groups. Yes, there is significant outreach to those in need in our statements, and in order to do this work, we are to rely on a deep well of faith. It is in our faith where we are challenged to grow!

More and more, I think we are poised to be a place of refuge and healing – a lovingly progressive voice in a conservative community - a people who deeply care about the plight of our neighbors and the strangers in our community. We are a people who have experienced our own challenges and survived. Now it is time to be the people who help others not just survive but to thrive; however, we have been afraid losing our security, our future, which we see tied to our endowments. This is a time when we are being called to make a greater impact in our community. There are people struggling to survive in our community – struggling for shelter – struggling for food!

I invite you to begin deepening your faith by joining in prayer on Wednesdays from 12:30-1 PM, to pray for justice and peace in our world. In our sanctuary, we will be offering a prayer vigil in conjunction with the Churches for Middle East Peace.

For the Advent and Christmas seasons, we will be focused on the "Gift of Being Present," looking to use our gift of time and attention as some of the most important things we can share. For this season, we ask you to look for pictures of gatherings you have hosted or been part of where time and attention was shared, and share them with us for use in worship. Please email these pictures to Paityn at office@apostlesucc.org.

Blessings & peace,

Pastor Kathryn Kuhn

A Message from the Council President

I thought that this was an interesting article going around the internet entitled "Lucky."

If you could fit the entire population of the world into a village consisting of 100 people, while maintaining the proportions of all of the people living on Earth, that village would consist of...

57 Asians, 21 Europeans, 14 Americans (North, Central, and South), 8 Africans

There would be...

52 women and 48 men, 30 Caucasians and 70 non-Caucasians, 30 Christians and 70 non-Christians, 89 heterosexuals and 11 homosexuals, 6 people would possess 59% of the wealth and they would all come from the USA, 80 would live in poverty, 70 would be illiterate, 50 would suffer from hunger and malnutrition

If we looked at the world in this way, the need for acceptance and understanding would be obvious...

If you woke up this morning in good health, you have more luck than one million people, who will not live through the week...

If you can go to your place of worship without fear that someone will assault or kill you, then you are luckier than 3 billion people...

If you have a full fridge, clothes on your back, a roof over your head and a place to sleep, you are wealthier than 75% of the world's population...

If you currently have money in the bank, in your wallet, and a few coins in your purse, you are one of 8 of the privileged few amongst the 100 people in the world...

We are certainly blessed to have a church family that loves us and lucky enough to meet many of the bullet points listed above. Let us go forth and serve others in our community and beyond and be thankful in all the ways God has blessed us.

Lou Gaudioso

Adopt-A-Classroom 2023

The Outreach Commission is currently backing a campaign to support Adopt-A-Classroom. This initiative aims to assist teachers in classrooms within the School District of Lancaster by providing grants for essential learning supplies. In 2022, we successfully conducted this giving campaign, and thanks to the generous contributions of our members, we were able to donate \$3,100 to the District. These funds were distributed among early education classes (Pre-K - 3rd

grade) at the Martin and Carter MacRae schools.

We invite you to join us in making a difference. Please consider making a donation through REALM or VANCO, or you can write a check payable to COA with "Adopt-A-Classroom" in the memo line. Our campaign will run until the end of 2023.

Should you have any questions or need further information, please don't hesitate to reach out to Donna Carr at (717) 475-5285, a member of the Outreach Commission. Thank you for your support!

Community Outreach

Support Climate Justice

Giving Tuesday, on November 28, 2023, is approaching, and the United Church of Christ (UCC) is actively preparing to showcase their strong dedication to climate justice. Deeply concerned about environmental issues threatening our planet's health, UCC committed, in 2022, to a five-year focus on environmental justice for Giving Tuesday campaigns.

With a financial goal of \$75,000, UCC aims to support two initiatives. Your contribution enables new cohorts in Climate Hope Summer, empowering youth to advocate for impactful climate legislation. Your gift also bolsters the success of UCC's 2024 Earth Day Summit, a platform for innovative environmental justice solutions.

Interfaith Insights: Muslims Speak to Christians

In today's complex world, where discerning truth can be challenging and differences often lead to conflict, it is essential to embrace open dialogue and understanding. Join St. Thomas' Spiritual Center, located at 301 Saint Thomas Road, Lancaster, PA 17601, for a thought-provoking presentation:

On Wednesday, November 8, 2023, at 7PM Dr. Vinitha Moopen, a practicing Pediatrician in Lititz and a Lancaster resident for 15 years, will present 'What Muslims Want Christians to Know.' Dr. Moopen, MD, is deeply involved in the community, having served on various boards and as a speaker for educational programs. She also contributes a monthly medical segment to the Fox 43 morning program. Dr. Moopen is currently pursuing a bachelor's degree in Islamic Studies and enjoys reading and traveling. To attend on November 8th, please RSVP at SCAST-1@outlook.com or call (717) 569-3241 ext. 304.

Supporting Jewish Communities

In these challenging times, it's more important than ever to come together as a community to support one another and extend our help to those in need. The recent conflict in Israel has left a significant impact on our Jewish brothers and sisters, and many organizations are working tirelessly to provide assistance and relief. We'd like to share some valuable resources with our congregation to aid in this noble endeavor.

Preschool News

During the month of October, children at ACP learned about Fire Safety. The children practiced fire drills at school, learned how to call 9-1-1, and “stop, drop, and roll”. Our firefighter friends from the Rohrerstown Fire Department even came to visit! They taught us how to be safe in the event of a fire and showed us all of their cool equipment. Some of our Pre-K classes also had a visit from a Manor Township Police Officer. We loved the opportunity to have these community heroes visit us at ACP!

Fall is finally here and we can feel the air turning colder and see the leaves changing colors! The children at ACP learned about the autumn colors as they watched the leaves change and learned about the animals in the fall as they get ready to hibernate. Lisa Sanchez came to our school to give us a presentation about nocturnal animals. At the end of the month, we had our traditional Halloween Parade and Celebrations.

In November, we look forward to focusing on friendship and helping others by collecting items for the COA Food Bank and having our Friendsgiving Celebration.

Be sure to save the date for our Christmas Program: December 18 & 19 at 10:30 AM. We welcome all church members to attend one of our programs!

Gratitude for Apostles Caring Carts Donations

The Outreach Commission extends our heartfelt gratitude to all those who contributed to the overflowing Caring Cart, brimming with invaluable donations for ABBA House, the Christian orphanage/school in Kenya. Your kindness will make a significant impact in meeting the needs of these children.

Our next endeavor with the Caring Cart revolves around the Holiday Gifting Ministry. Can you believe that the season of giving is fast approaching? As in years past, we will be providing gifts to students at Elizabeth Martin Elementary School who are less fortunate than us. Keep an eye out for forthcoming announcements regarding this initiative!

Additionally, we'd like to remind you that the small Caring Cart in the coat room is designated for the collection of personal and home care supplies. This ongoing effort supports the Apostles Assistance Fund. We appreciate your ongoing support of our Outreach ministries, as it is through these actions that we share the love of Christ with all people.

A Musical Note

WITH
LARS POTTEIGER

All Saints Day may not seem as important a holiday as Christmas and Easter are in the liturgical calendar, but this day, celebrated on November 1st, recognizes two core parts of our faith: remembrance and resurrection. On this day, Christians remember those who have died in the past year, celebrating both their lives and resurrection into life eternal. It helps us to connect with believers from the past who have gone before us in the faith and to remember those we love who have joined the church triumphant.

One of the more widely sung hymns on All Saints Day is "For All The Saints," sung to the melody Sine Nomine. Sine Nomine was written by the English composer Ralph Vaughn Williams. Other well known hymn melodies of his include the melody, Randolph, for "God Be With You Till We Meet Again" and melody, Down Ampney (named after the town of his birth) for "Come Down O Love Divine." Sine Nomine was not the original melody used in "For All The Saints." The original melody for this text was titled Sarum and was used for the hymn until 1906 when Vaughn Williams composed Sine Nomine. Vaughn Williams' melody is noted for being more interesting and musically sophisticated in nature, replacing Sarum as the melody commonly sung today.

The Apostles Academy is excited to announce upcoming events:

Mountain dulcimerist Dave Haas will perform a program of dulcimer music on Nov. 5th, 2023 at 3 PM in the sanctuary. Mr. Haas is a popular dulcimer instructor and jam leader at music festivals in the U.S. and abroad and has published numerous instructional materials for the instrument.
