Let's Be Friends

@ApostlesUCC

As nature awakens with new life, we celebrate the new life and freedom we receive through the life, death, and resurrection of Jesus. Holy Week begins on **Palm Sunday, April 13**, and we invite you to join us for the following services:

Maundy Thursday – April 17 at 7 PM

We will gather in the **main narthex** to reflect on Jesus' last meal with his disciples. Through Scripture from Luke's Gospel, we'll hear Jesus redefine greatness and foretell Peter's denial. Holy Communion will be shared around the tables with gluten-free crackers and grapes.

Good Friday – April 18 at 7 PM

This service, held in the **sanctuary**, will focus on the difficult yet powerful scriptures recounting Jesus' arrest, trials, and crucifixion. Facing the Holy Week windows, we will experience the fading light of the day as we remember Jesus' ultimate sacrifice of love.

Outdoor Easter Service – April 20 at 7 AM

Join us at the **Schellenberger Pavilion in Rader Park** to celebrate the resurrection amidst the beauty of creation. As nature awakens, we will rejoice in Jesus' love and grace. Holy Communion will be shared.

Easter Service – April 20 at 10 AM

Celebrate with us in the **sanctuary** as we proclaim: **Christ is risen!** Luke's account of the resurrection will be shared, and Holy Communion will unite us as God's Beloved Community.

Mark your calendars and prepare your hearts for freedom in Christ!

Blessings & Peace,
Pastor Kathryn Kuhn

BOARD NEWS

On March 1st, 2025, there was a news article on the Nightly News at 6:30 PM. It was about a cheer-leading competition in Dallas. Apparently, there was some kind of loud noise. The attendees panicked and began frantically running out of the building shouting that there was a shooter in the building. I watched this in disbelief because there was no shooter. I was astounded at the level of fear produced by nothing but a loud noise.

This whole scenario stayed with me for days because fear is a very real topic of conversation lately. But this fear is often generalized and unable to be named. There are always real things in our lives that do deserve a healthy fear. But often times the fear becomes a nameless and ubiquitous part of our life. As children of God, we have an advantage over non-believers when it comes to fear. We know that we are loved and protected, fortified and guarded, and sheltered and saved.

The difficulty with our faith comes in allowing it to be part of our daily life and not just an abstraction that we believe on Sunday. We must find a way to embrace the love of Jesus Christ on Sunday and live our Monday through Saturday differently because of it. In these times of upheaval we have to remember that we have nothing to fear. God will protect us always. Let's choose faith and love and let go of fear and dread.

YOUTH

ROOTED IN FAITH

Youth Group is Springing Into Action!

The COA Youth Group is off to an exciting start! By the time you read this, our March 30 kickoff pizza & Bible study party will be in the books! Earlier this month, a dynamic group of about a dozen youth gathered at the Youth Center to plan an action-packed 2025 calendar under the enthusiastic leadership of Nathan Moore, along with Stephanie Moore and Flo Waldron.

This isn't just for church kids—youth from **Apostles, other area churches, and even those who don't attend church at all** came together to shape an exciting year ahead! Along with **Bible reflections**, they're gearing up for **bonfires, tailgates, game nights, service projects** (including Wittel Farm and our own **Seeds of Hope Garden**), and even a **New Year's Eve lock-in!**

Want to be part of the fun? Youth in grades 4-12 are invited—no church experience needed! Contact the church office to get on the mailing list and bring your friends along!

PRIMARY FAITH FORMATION

Journeying Through Holy Week

April is an exciting month for our Primary Faith Formation class as they dive into the powerful story of **Holy Week and Jesus' resurrection**. Through engaging lessons and hands-on activities, the children will explore the significance of **the Last Supper and the Easter story using Resurrection Eggs**—a creative and interactive way to help bring these sacred events to life.

But learning isn't the only thing happening in the classroom! The students are also busy preparing a **special skit** to share in worship, bringing their lessons to life for the entire congregation.

Picture: Our Primary Faith Formation students hosted the **Hospitality Table on March 9th**, joyfully welcoming and serving our church family. We are so proud of their growing faith and leadership!

APOSTLES COMMUNITY PRESCHOOL UPDATES

A big thank you to Monica and Steve Daniels and Jennifer Eaton for visiting and reading to our preschoolers during Read Across America Week! We loved having guest readers and celebrating with fun activities like Topsy Turvy Tuesday and Wacky Wednesday. The children had a blast dressing in silly outfits, creating fun art projects, playing games, and enjoying beloved Dr. Seuss books.

Our Pre-K classes also hosted a special event, inviting dads, grandpas, and other male role models for a memorable day together. At the end of the month, our teachers held parent-teacher conferences to share the wonderful progress our preschoolers have made.

Additionally, our Pre-K enrichment class, Nature Explorers, has returned to Rader Park on Tuesday afternoons, where we are embracing the signs of spring and the beauty of nature.

We're thrilled to share that ACP is completely full for the 2025-26 school year, with a waiting list for all classes! As we enter the final six weeks of school, we're excited for the fun activities ahead. Stay tuned for our final 2024-25 school year update in the May Crown!

DID YOU KNOW?

During school hours, all members and guests must stop by the main office to be escorted to the West Wing, even if they have a key. Members should also wear name tags when in preschool areas, and all church activities should take place after preschool hours.

A MUSICAL NOTE

With Music Director, Lars Potteiger

This Easter season, the theme for our services is freedom and how this concept shapes us spiritually. The theme song for the season is "I Will Take the Cup" by Cynthia Cummins. She wrote this piece in 1997, and it was later arranged by Christopher Walker in 2000 for the Jubilee Mass Choir in San Francisco. The song is a setting of Psalm 116, specifically verses 12–13 and 15–18.

Psalm 116

12 What shall I return to the Lord for all his goodness to me?

13 I will lift up the cup of salvation and call on the name of the Lord.

15 Precious in the sight of the Lord is the death of his faithful servants.

16 Truly I am your servant, Lord; I serve you just as my mother did; you have freed me from my chains.

17 I will sacrifice a thanksgiving offering to you and call on the name of the Lord.

18 I will fulfill my vows to the Lord in the presence of all his people,

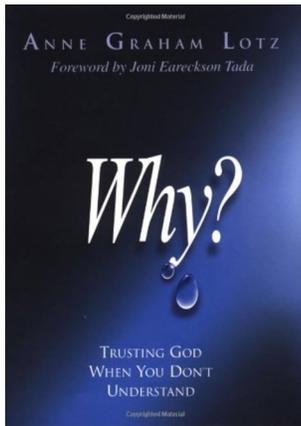

In this excerpt from Psalm 116, the psalmist expresses deep gratitude and commitment to God for His goodness and salvation. The psalmist acknowledges God's blessings and vows to honor Him by offering thanks, calling on His name, and fulfilling promises made in the presence of others. This passage highlights the value God places on the lives of His faithful servants and emphasizes a life of public worship, gratitude, and service.

Blessings, Lars

COMPASSION TEAM'S BOOK OF THE MONTH

This month's book, *Why?* by Anne Graham Lotz, explores one of life's most difficult questions—not just out of curiosity, but from a place of deep despair. When we doubt whether God can or will help us, Anne encourages us to approach our questions with curiosity rather than frustration. She leads readers to discover that the answer isn't simply "because"—it's "I AM." Through scripture and reflection, she reminds us that God is always present, all-knowing, and deeply loving.

SNAPSHOTS OF OUR HISTORY: CELEBRATING 50 YEARS

The land for the location of Church of the Apostles was deeded in 1717 to Hans Brubaker by William Penn. From that time until 1978, it had belonged to the Brubaker family, covering a span of nine generations, with Aaron and Arlene Brubaker the most recent owners and residents of the farm.

Hans Brubaker and his ancestors originated in Switzerland. The land records here as well as other sources often make mention of them as "Swissers." From Switzerland the Brubakers migrated to Palatinate and Strasburg, Germany, and eventually sailed for America. They were among the Mennonites who were attracted to Lancaster County in the early eighteenth century.

The farmhouse on this property was built in three sections over a period of years. The oldest section is to the east side, erected in the 1740's. Two other sections were added as they became needed for the family farm

The rest of the property around the farmhouse contains a large white barn with several silos, a smaller house used by the tenant farmer, a garage, a workshop, several sheds, corn bins, and a chicken coop. A large lawn graces the area and a pond is in the meadow.
